## CORPORATE PROFILE

### AN INTEGRATED SERVICE PROVIDER

Established in 1975, Hai Leck Holdings Limited and together with its subsidiaries (the “**Group**”) is one of the leading Singapore companies that provides engineering, procurement and construction (“**EPC**”) project services and maintenance services to the oil and gas and petrochemical industries.

The Group has presence in Singapore, Malaysia and Thailand. Today, the Group commands a workforce of more than 2,000 employees to service our customers.

The Group operates through three business segments – Project Services, Maintenance Services and Contact Centre Services.

The Group's principal activities are:

#### PROJECT SERVICES

- Mechanical engineering services in structural steel and piping fabrication and installation as well as plant equipment installation, maintenance, modifications and repairs; scaffolding erection services; corrosion prevention services utilizing automated high-pressure blasting; thermal insulation services; refractory and passive fireproofing services as well as general civil engineering services.

#### MAINTENANCE SERVICES

- Maintenance services provided on a routine or turnaround basis.

#### CONTACT CENTRE SERVICES

- Call centre and telecommunication; information technology services; asset management services; and business and management consultancy services.

Our competitive strengths include our seamless integration of in-house competencies, strong performance track record, good safety performance, technical competency, effective project management, skilled manpower, quality workmanship and high responsiveness to customers' request.

The Group manages its EPC projects through seamless integration of in-house competencies such as automated shop blasting and coating, steel structure and piping shop fabrication and field installation, tankage, scaffolding, corrosion prevention, thermal insulation, refractory and general civil works.

With our operational expertise, our dedicated project management team proactively participates in our customers' project planning, anticipating and providing solutions to challenges. We manage and measure our projects with key performance indicators that focus on safety, quality productivity and timely completion of the entire project. With our experienced management team, skilled tradesmen and advanced fabrication facilities and equipment, the Group is confident of meeting project requirements and expectations with the highest safety, reliability and quality standards.

Through the combined efforts of our three business segments, the Group strives to create value for our customers and stakeholders.

WITH A NET PROFIT ATTRIBUTABLE TO  
SHAREHOLDERS AMOUNTING TO  
**S\$12.7 MILLION**  
FOR FY2016.

ON THE WHOLE, THE GROUP REMAINS  
WELL-POSITIONED TO UNDERTAKE NEW  
OPPORTUNITIES AND CHALLENGES,  
WITH TOTAL ASSETS OF APPROXIMATELY  
**S\$148.0 MILLION,**  
OF WHICH CASH AND CASH EQUIVALENTS  
IS APPROXIMATELY  
**S\$51.5 MILLION**  
AS AT 30 JUNE 2016.

### DEAR VALUED SHAREHOLDERS,

On behalf of the Board of Directors of Hai Leck Holdings Limited (the “**Company**” or “**Hai Leck**”) and its subsidiaries (the “**Group**”), I am pleased to present the Annual Report for the financial year ended 30 June 2016 (“**FY2016**”).

### FORGING AHEAD, GOING STRONG

With continued global uncertainty, FY2016 was a year with severe headwinds from a weak global recovery, flagging trade and a broad slowdown across emerging markets and advanced economies. However, the Group’s efforts at diversification have paid off and its non-oil and gas related business have buffered our results, resulting in an overall slight decrease in revenue from the previous year. I am hence proud to note that Hai Leck has continued to deliver a healthy set of financial results for FY2016, a testament to our resilience, foresight and adaptability.

In the year under review, the Group achieved revenue of S\$104.1 million with a net profit attributable to shareholders amounting to S\$12.7 million for FY2016. On the whole, the Group remains well-positioned to undertake new opportunities and challenges, with total assets of approximately S\$148.0 million, of which cash and cash equivalents is approximately S\$51.5 million as at 30 June 2016.

As we forge ahead, Hai Leck plans to explore more innovative solutions to mitigate the impact of the rising costs of manpower, operations and stiffer competition in the industry, whilst maintaining and improving on our high standards. This will increase our competitiveness and adaptability. At the same time, the Group will also continue to actively seek new opportunities to increase and improve its capabilities. In doing so, the Group intends to increase its sources of reliable revenue, expand its customer base and achieve greater adaptability to suit the demands of a dynamic and fluctuating market.

### **OUR COMMITMENT TO NEW INNOVATIVE TECHNOLOGIES**

Since 2009, the Group has invested more than S\$20 million in developing and exploring innovative technologies relevant to our areas of expertise. The fruit of our efforts – eight new machineries that have since been deployed effectively in our operations, were launched in conjunction with our new Productivity Centre of Excellence earlier this year. In partnership with the Singapore Economic Development Board, Hai Leck looks forward to continuing its endeavours and successfully discover or adapt new innovative technologies that will redefine the industry.

These new machineries have enabled the automation of various labour-intensive processes, resulting in a substantial reduction of man-hours and increased efficiency. This in turn has allowed us to capitalise on the limited resources we have, allowing us to cut down on costs and persevere on, even while facing manpower scarcity.

Indeed, even as we explore new innovative technologies to improve the productivity of existing processes, the Group is also contemplating how it can most effectively and efficiently expand its core service offerings to pave the way for more business opportunities.

The Group will continue to remain cautious in its investments and will prudently explore windows of opportunity to foster greater value and more resilient returns for our shareholders.

### **ENGINEERING THE FUTURE**

Despite the fact that the EPC companies form the backbone of the industry, it is an unfortunate truth that it has become harder for employers to attract and retain engineers, as the role has increasingly become broader and more sophisticated. On our end, Hai Leck has continued to actively nurture and support the lifelong learning journey of our people, by adopting various training programmes to enhance our adaptability to utilise and take advantage of new innovative technologies. This puts our people in good stead to face challenges and manoeuvre effectively in today's rapidly changing business environment.

Moreover, with the launch of our Productivity Centre of Excellence, Hai Leck's goal is to be a pioneer in spearheading the introduction of efficient, cost-effective machineries, methods and production processes that could potentially redefine the industry, while delivering better quality and reliability. In time to come, our vision is for Hai Leck to become a brand that is naturally associated with quality, efficiency and expertise in the industry.

This year, our subsidiary, Hai Leck Engineering Pte Ltd, was awarded two awards from the Ministry of Manpower in recognition of our efforts towards making workplaces safer and healthier. The awards conferred acknowledge our Corporate Health, Safety and Environment performance and the high standards that we have maintained at one of our worksites. In this regard, we have to thank the commitment of all our staff for making safety second nature in their daily work. In the years to follow, we will continue to maintain our high standards of safety and health.

# CHAIRMAN'S STATEMENT

## CORPORATE SOCIAL RESPONSIBILITY

Hai Leck has long held its strong belief in sustaining the environment and the well-being of the community. Our Corporate Social Responsibility ("CSR") initiatives are a Group-wide effort, with people from various departments pitching in to contribute. This year, as part of the Group's CSR efforts, we organised the Golf Invitational 2016 on 1 July 2016 in support of the Children's Charities Association and the North West Community Development Council and together with our sponsors, donated S\$20,000 and S\$10,000 to the respective beneficiaries.

In the years that follow, Hai Leck will be pleased to continue this tradition of goodwill to the community and trusts that we have the support from our shareholders who have interests beyond corporate profitability.

## OCCUPATIONAL HEALTH AND SAFETY

We are always looking to improve health and safety standards in order to minimise risk of accidents, injuries and illness to our employees as well as people we work with. In view of this, Hai Leck has organised a talk for our staff on 13 August 2016 on the relevant topics such as work place safety, crime prevention and immigration law and had invited the Singapore Police Force, Immigration & Checkpoints Authority of Singapore and the Ministry of Manpower to brief our workers on various topics such as workplace safety and crime prevention. The session was held at one of our dormitories and our staff enjoyed and benefited from the interacting session with and learning from the various agencies. To thank the representatives from the various government agencies, our CEO presented them with letters of appreciation on Hai Leck's behalf.

## DIVIDENDS

The Company has paid a tax exempt (one-tier) interim dividend of 2 cents and a special dividend of 3 cents per ordinary share to the shareholders during the year. In view of the headwinds facing the market, the Board of Directors has not recommended any tax exempt (one-tier) final dividend. The total tax exempt (one-tier) dividend per ordinary share for the year amounted to 5 Singapore cents.

## A NOTE OF APPRECIATION

On behalf of the Board, I would like to express our deep appreciation to all our customers, shareholders, suppliers and business associates for their confidence and continued support. The Board would also like to thank our dedicated people for their trust, efforts and commitment to the Group. Their cooperation, team work and safe work practices have, collectively, strengthened Hai Leck's resilience amidst a dynamic and challenging economy. As we look to the future, I am confident that each and every one of you will continue to put in your best efforts to push Hai Leck to greater heights. To my fellow Board members, I thank you for your wise guidance throughout FY2016.

With all of your support, it is my firm belief that Hai Leck will continue to be one of the leading EPC companies in Singapore.

# FINANCIAL HIGHLIGHTS

## REVENUE (S\$'MIL)

## NET PROFIT (S\$'MIL)

## REVENUE CONTRIBUTED BY SEGMENT FY: FINANCIAL YEAR ENDED 30 JUNE

- MAINTENANCE SERVICES
- PROJECT SERVICES
- CONTACT CENTRE SERVICES

## FINANCIAL AND OPERATIONS REVIEW

AS AT 30 JUNE 2016, THE GROUP'S  
TOTAL ASSETS AMOUNTED TO  
**S\$148.0 MILLION**  
(FY2015: S\$150.2 MILLION) WHILE  
NET ASSETS STOOD AT  
**S\$120.4 MILLION**  
(FY2015: S\$117.8 MILLION).

During the financial year ended 30 June 2016 ("FY2016"), the downward trend for oil prices continued to persist, resulting in an overall reduction of capital expenditure for the oil and gas industries, which has in turn, reduced the demand for and number of projects in the EPC industry.

Notwithstanding the challenges faced, the Group has persevered and recorded positive revenue of S\$104.1 million, a decrease of 12.8% as compared to S\$119.4 million for the financial year ended 30 June 2015 ("FY2015"). This was made possible through the management's foresight; and the Group's diversification of its services and investments have allowed us to maintain a profitable position.

Net profit attributable to equity holders increased by S\$1.9 million (18%) to S\$12.7 million in FY2016 as compared to S\$10.8 million in FY2015 – a strong testament to our commitment towards value-creation for our stakeholders.

Basic earnings per share rose to 6.2 cents in FY2016 from 5.3 cents in FY2015 while net assets per share decreased to 34.9 cents in FY2016 as compared to 39.5 cents in 2015.

### **COST OF SALES AND OPERATING EXPENSES**

Cost of sales was reduced by S\$5.5 million (9.3%) to S\$53.0 million in FY2016 as compared to S\$58.5 million in FY2015. The decrease was mainly due to less usage of materials and manpower in tandem with the lower revenue.

Operating expenses decreased by S\$12.7 million (24.3%) to S\$39.5 million in FY2016 as compared to S\$52.2 million in FY2015. The decrease was due to the cost control measures that were implemented.

### **BALANCE SHEET HIGHLIGHTS**

As at 30 June 2016, the Group's total assets amounted to S\$148.0 million (FY2015: S\$150.2 million) while net assets stood at S\$120.4 million (FY2015: S\$117.8 million).

Non-current assets decreased by 2.4% to S\$58.0 million as at 30 June 2016, as compared to S\$59.5 million as at 30 June 2015. The decrease was mainly due to depreciation of property, plant and equipment.

Current assets decreased by S\$0.8 million (0.9%), from S\$90.8 million as at 30 June 2015 to S\$90.0 million as at 30 June 2016. The decrease was mainly due to a decrease in cash and cash equivalents and the fact that the Company paid out S\$10.2 million in dividends during the year.

Current liabilities decreased by S\$4.8 million (15.6%) to S\$26.0 million as at 30 June 2016 as compared to S\$30.8 million as at 30 June 2015. This was due to an decrease in trade and other payables.

Non-current liabilities decreased by 3.3%, mainly due to less provision for deferred taxes.

### **CASH FLOWS**

The Group has continued to maintain its healthy cash position. As at 30 June 2016, cash and cash equivalents amounted to S\$51.5 million, a 6.9% decrease from 30 June 2015. Net cash flows generated from operating activities amounted to S\$8.9 million, while net cash flows used in investing activities was S\$2.8 million and net cash flows used in financing activities was S\$9.7 million.

With its strong financial position, the Group intends to continue pursuing business opportunities that will benefit the Group and its stakeholders.

# CORPORATE GOVERNANCE REPORT

The Board of Directors (the “**Board**”) and Management of Hai Leck Holdings Limited (the “**Company**”, together with its subsidiaries, the “**Group**”), are committed to set in place corporate governance practices to provide the structure through which the objectives of protection of shareholders’ interests and enhancement of long term shareholders’ value are met. This commitment and continuous support of the Code of Corporate Governance issued on 2 May 2012 (the “**Code**”), can be seen from the efforts of the Board and Management to promote and maintain values which emphasize transparency, accountability, integrity and proper conduct at all times in the business operations and dealings of the Group so as to create value for its stakeholders and safeguard the Group’s assets.

## 1. BOARD MATTERS

### 1.1 The Board’s Conduct of Affairs

***Principle 1: Every company should be headed by an effective Board to lead and control the company. The Board is collectively responsible for the long-term success of the company. The Board works with Management to achieve this objective and the Management remains accountable to the Board***

The Company is headed by an effective Board comprising seven directors of whom three are Executive Directors, one is non-executive and non-independent and three are Independent Directors. Their combined wealth and diversity of skills, experience, gender and knowledge of the Company enable them to contribute effectively to the strategic growth and governance of the Group. The Board’s primary role is to protect and enhance long-term shareholders’ value and returns. Apart from its statutory responsibilities, the principal functions of the Board encompass, *inter alia*, the following:

- Providing entrepreneurial leadership and setting the overall strategy and direction of the Group, taking into account environmental and social factors as part of its strategic formulation;
- Overseeing the Management of the Group’s business affairs, financial controls, performances and resource allocation;
- Approving the Group’s strategic plans, key business initiatives, acquisition and disposal of assets, significant investments and funding decisions and major corporate policies;
- Establishing a framework of prudent and effective controls and overseeing the processes of risk management, financial reporting and compliance, evaluating the adequacy of internal controls and safeguarding the shareholders’ interests and the Company’s assets;
- Setting of the Company’s values and standards (including ethical standards) and ensuring that obligations to shareholders and other stakeholders are understood and met;
- Considering sustainability issues, such as environmental and social factors, as part of its strategic formulation; and
- Being responsible for the corporate governance framework of the Group.

The Board provides shareholders with a balanced and clear assessment of the Group’s performance, position and prospects on a quarterly basis. All Directors have objectively discharged their duties and responsibilities at all times as fiduciaries in the interests of the Company.

# CORPORATE GOVERNANCE REPORT

## Board Committees

To assist the Board in the discharge of its responsibilities, the Board has established three Board Committees, namely, the Audit Committee (the “**AC**”), Nominating Committee (the “**NC**”) and Remuneration Committee (the “**RC**”). These committees function within clearly defined terms of reference and play an important in ensuring good corporate governance in the Company and within the Group. The terms of reference are reviewed by the Board committees on a regular basis to ensure their continued relevance.

The Board will conduct at least four meetings a year to approve the quarterly financial results announcement and to oversee the business affairs of the Group. The schedule of all the Board and Board Committees meetings for the calendar year is usually given to all the directors well in advance. The Board is free to seek clarification and information from the Management on all matters within their purview. Ad-hoc meetings are also convened as and when the circumstances require.

In line with the recent changes of the Companies Act, all reference to Memorandum and Articles of Association will be superseded with Constitution and Regulations. The Company’s Constitution (the “**Constitution**”) provides for meetings of the Directors to be held by means of telephone conference or other methods of simultaneous communication by electronic or telegraphic means. The Board also approves transactions through circular resolutions, which are circulated to the Board together with all the relevant information to the proposed transaction.

The Board’s approval is required in matters such as major funding proposals, investment and divestment proposals, major acquisitions and disposals, corporate or financial restructuring, mergers and acquisitions, share issuance and dividends, acceptance of bank facilities, the release of the Group’s quarterly, half year and full year financial results and interested person transactions of a material nature. The Board ensures that new directors are familiarised with the Group’s businesses and corporate governance practices upon their appointments, to facilitate the effective discharge of their duties.

The Board and Board Committees meetings held during the financial year and the attendance of Directors at the meetings are set out as follows:

	Board	Board Committees		
		Audit Committee	Nominating Committee	Remuneration Committee

# CORPORATE GOVERNANCE REPORT

No new Director was appointed by the Company during the financial year ended 30 June 2016. Newly appointed Directors will be given letters explaining the terms of their appointment as well as their duties and obligations and will also be given briefings by the Management on the Company's business activities and its strategic directions. The Management will monitor new laws, regulations and commercial developments and will keep the Board informed accordingly. The Directors are encouraged to attend appropriate or relevant courses, conferences and seminars and receive training to improve themselves in the discharge of Directors' duties and responsibilities. The Directors are also kept abreast of any developments which are relevant to the Group, and of any developments of relevant new laws and regulations which have an important bearing on the Group and the Directors' obligations to the Group, from time to time.

New releases issued by the Singapore Exchange Securities Trading Limited (the "SGX-ST") and Accounting and Corporate Regulatory Authority ("ACRA"), which are relevant to the directors are circulated to the Board. The Company Secretary also informs the directors of upcoming conferences and seminars relevant to their roles as directors of the Company. The external auditors would update the AC and the Board on new and revised financial reporting standards annually.

## 1.2 Board Composition and Guidance

***Principle 2: There should be a strong and independent element on the Board, which is able to exercise objective judgment on corporate affairs independently, in particular, from Management and 10% shareholders. No individual or small group of individuals should be allowed to dominate the Board's decision making***

As of the date of this report, the Board comprises the following seven directors as follows:

<b>Name of Director</b>	<b>Position held on the Board</b>	<b>Nature of Appointment</b>
Mr Cheng Buck Poh @ Chng Bok Poh	Executive Chairman	Executive Director
Mr Cheng Yao Tong	Chief Executive Officer	Executive Director
Ms Cheng Li Hui	Deputy Chief Executive Officer	Executive Director
Mr Tan Sim Cheng	Non-Executive Deputy Chairman and Director	Non-Executive Director/Lead Independent
Ms Cheng Li Chen	Director	Non-Executive Director/ Non Independent
Dr Low Seow Chay	Director	Non-Executive Director/ Independent
Mr Chee Teck Kwong Patrick	Director	Non-Executive Director/ Independent

The Board has adopted the Code's criteria of an independent director in its review and is of the view that all independent non-executive directors have satisfied the criteria of independence. The NC confirms that the Independent Directors make up at least one-third of the Board.

# CORPORATE GOVERNANCE REPORT

In view that the Chairman and the Chief Executive Officer (the “CEO”) are immediate family members and the Chairman is not an Independent Director, the Board noted that the Company is required to comply with the requirement for Independent Directors to make up at least half of the Board, and is in the midst of assessing and making transition arrangements to change the board composition. Although currently the independent directors do not make up half of the Board, there is a strong and independent judgement in the conduct of the Group’s affair and thus enabling Management to benefit from a diverse and objective external perspective on issues raised before the Board. Matters requiring the Board’s approval are discussed and deliberated with participation from each member of the Board. The decisions are based on collective decisions without any individual influencing or dominating the decision making process.

The size and composition of the Board is reviewed on an annual basis by the NC to ensure that the Board has the appropriate mix of expertise and experience, and collectively possesses the necessary core competencies for effective functioning and informed decision-making. The NC is of the view that the Board is of the appropriate size for decision making, with the right mix of skills and experience given the nature and scope of the Group’s operations. The Company will continually review its Board composition with a view to enhance corporate governance practices taking into account the Code.

The Independent Directors also communicate regularly to discuss matters such as the Group’s financial performance, corporate governance initiatives and the remuneration of the Executive Directors and senior management. The Independent Directors constructively challenge and help develop proposals and strategies; review the performance of the Management in meeting agreed goals and objectives and monitor the reporting of performance. When necessary, the Company co-ordinates informal meetings for non-executive and independent directors to meet without the presence of the executive directors and/or Management.

None of the Independent Directors has served on Board beyond nine years from the date of his/her appointment.

The profiles of the Directors are set out on pages 9 and 10 of this Annual Report.

## 1.3 Chairman and Chief Executive Officer

***Principle 3: There should be a clear division of responsibilities between the leadership of the Board and the executives responsible for managing the company’s business. No one individual should represent a considerable concentration of power***

There is a clear division of responsibilities at the top Management, with clearly defined lines of responsibility between the Board and executive functions of the management of the Company’s business.

The roles and responsibilities between the Chairman and the CEO are held by separate individuals. Mr Cheng Buck Poh @ Chng Bok Poh is our Executive Chairman (the “Chairman”) and Mr Cheng Yao Tong is our CEO. Mr Cheng Yao Tong is Mr Cheng Buck Poh @ Chng Bok Poh’s son.

# CORPORATE GOVERNANCE REPORT

The Chairman is responsible for the charting and reviewing of the corporate directions and strategies for the Group. He is also responsible for, among others, the exercise of control over quantity, quality and timeliness of information flow between the Management and the Board. He, with the assistance of the Company Secretary or his representatives, ensures that the Board receives accurate, timely and clear information and there is effective communication with shareholders of the Company. He further ensures that the Board meetings are held as and when necessary and sets the Board's meeting agenda. He assists in ensuring compliance with the Group's guidelines on corporate governance and facilitating the effective contribution of the Non-Executive Directors. The Chairman also promotes a culture of openness and debate at the Board, encourages constructive relations, mutual respect and trust within the Board and between the Board and Management and facilitates the effective contribution of Non-Executive Directors.

The CEO oversees the Management and development of the Group's business, locally and overseas, and is also responsible for sales and marketing for the Group's business.

The performance of the Chairman and CEO are reviewed periodically by the NC and their remuneration packages are reviewed periodically by the RC. The Board also believes that there are sufficient safeguards and checks to ensure that the process of decision making by the Board is independent and based on collective decisions without any individual exercising any considerable concentration of power or influence. Furthermore, all the Board Committees are chaired by Independent Directors.

In view of the Chairman and the CEO are immediate family members and part of the executive management team, Mr Tan Sim Cheng, our Non-Executive Deputy Chairman has been appointed as our Lead Independent Director pursuant to the recommendation in Guideline 3.3 of the Code. The lead serves as a principal liaison on Board issues between the Independent Directors and the Chairman of the Board. The Lead Independent Director is available to shareholders who have concerns which contact through the normal channels of the Chairman, CEO, Executive Directors or Chief Financial Officer have failed to resolve or for which such contact is inappropriate.

Led by the Lead Independent Director, the Independent Directors are encouraged to meet periodically without the presence of the other Directors. The Lead Independent Director has provided feedback to the Chairman after such meetings.

Hence, the Board believes that notwithstanding the close family ties between the Company and the CEO, the current composition of the Board is able to make precise objective and prudent judgement on the Group's corporate affairs. This Board is of the view that there are sufficient safeguards and checks to ensure that the process of decision making by the Board is independent and are based on collective decisions without any individual exercising any considerable concentration of power of influence.

## 1.4 Board Membership

### ***Principle 4: There should be a formal and transparent process for the appointment and re-appointment of directors to the Board***

The Company has established a NC to, among other things, make recommendations to the Board, *inter alia*, on all Board appointments and re-appointments of Directors and oversees the Company's succession and leadership development plans.

## CORPORATE GOVERNANCE REPORT

The NC comprises entirely of Independent Directors and the members of the NC are as follows:

<b>Name of Director</b>	<b>Position held</b>
Mr Chee Teck Kwong Patrick	Chairman
Mr Tan Sim Cheng	Member
Dr Low Seow Chay	Member

In accordance with the Code, the Chairman of the NC is independent and has no relationship with the Company, its related corporation, its shareholders with shareholdings of 10% or more in the voting shares of the Company or its officer. The Lead Independent Director is also a member of the NC.

The NC is regulated by its terms of reference and its key functions include:

- (i) the re-nomination of the Directors having regard to the Director's contribution and performance;
- (ii) identifying and nominating candidates for the approval of the Board, if required;
- (iii) determining annually the independence of each Director;
- (iv) recommending Directors who are retiring by rotation to be put forward for re-election;
- (v) assessing whether a Director is able to and has been adequately carrying out his/her duties as a Director of the Company, particularly when he/she has multiple Board representations;
- (vi) reviewing the training and professional development programs for the Board;
- (vii) assessing the effectiveness of the Board and its Board Committees; and
- (viii) ensuring that the Company has a succession plan for Executive Directors and key management personnel, in particular, the Chairman and CEO.

The NC's functions includes how the Board's performance is to be evaluated, subject to the approval of the Board, which addresses how the Board has enhanced long-term shareholders' value.

The Board also implements a process to be carried out by the NC for assessing the effectiveness of the Board and its Board Committees. Each member of the NC shall abstain from voting on any resolutions in respect of the assessment of his/her performance or re-nomination as Director.

# CORPORATE GOVERNANCE REPORT

The initial appointment date and the date of last re-election of the Directors are set out below:

<b>Name of Director</b>	<b>Date of initial appointment</b>	<b>Date of last re-election as Director</b>
Mr Cheng Buck Poh @ Chng Bok Poh Executive Chairman	12 September 1998	19 October 2015
Mr Tan Sim Cheng Non-Executive Deputy Chairman and Lead Independent Director	5 June 2008	19 October 2015
Mr Cheng Yao Tong Chief Executive Officer	3 January 2012	19 October 2015
Ms Cheng Li Hui Deputy Chief Executive Officer	11 May 2010	22 October 2013
Ms Cheng Li Chen Non-Executive Director	17 October 2007	19 October 2015
Dr Low Seow Chay Independent Director	5 June 2008	23 October 2014
Mr Chee Teck Kwong Patrick Independent Director	5 June 2008	23 October 2014

Despite some of the directors having multiple board representations, the NC is satisfied that these directors are able to and have adequately carried out their duties as directors of the Company, after taking into the consideration the number of listed company board representations and other principal commitments. Currently, the Board has not determined the maximum number of listed Board representations which any director may hold. The NC and the Board will review the requirement to determine the maximum number of listed Board representations as and when it deemed fits.

With reference to the Code Guideline 4.5, the NC does not have a practice of appointing alternate directors to independent directors except for limited periods in exceptional cases such as when a director has a medical emergency. There were no alternate Directors appointed in this financial year end.

The Regulations of the Company require the number nearest to one-third of the Directors to retire by rotation and subject themselves to re-election by the shareholders in every Annual General Meeting (“AGM”) of the Company. In addition, all Directors of the Company shall retire from office once every three years. It was also provided in the Regulations that additional Directors appointed during the year shall only hold office until the next AGM of the Company and are subject to re-election by the shareholders.

# CORPORATE GOVERNANCE REPORT

The Board has accepted the NC's nominations of the retiring Directors who have given their consents for re-election at the forthcoming AGM of the Company. The retiring Directors are Mr Cheng Buck Poh, Mr Tan Sim Cheng and Ms Cheng Li Hui, who will retire pursuant to Regulation 93 of the Constitution of the Company. A retiring Director is eligible for re-election by the shareholders of the Company at the AGM, and prior to nominating a retiring Director for re-election, the NC will evaluate the Director's contribution and performance taking into consideration factors such as attendance, preparedness, participation and any other factors as may be determined by the NC.

Each member of the NC shall abstain from voting on any resolutions and making recommendations and/or participating in any deliberations of the NC in respect of his re-nomination as a director.

## 1.5 Board Performance

***Principle 5: There should be a formal annual assessment of the effectiveness of the Board as a whole and its Board Committees and the contribution by each director to the effectiveness of the Board***

The review of the Board's performance is conducted by the NC annually. The NC is guided by its written terms of reference which set out its responsibility for assessing the Board's effectiveness as a whole and its Board Committees. The Board, through the delegation of its authority to the NC, has used its best efforts to ensure that Directors appointed to the Board possess the background, experience and knowledge in technology, business, finance and management skills critical to the Company's business and that each Director, with his/her special contributions, brings to the Board an independent and objective perspective to enable balanced and well-considered decisions to be made.

With regard to the collective appraisal of the Board, each Director assesses the Board's performance as a whole and its Board Committees and provides the feedback to the NC. In reviewing the Board's effectiveness as a whole and its Board Committees, the NC takes into account feedback from the Board members as well as the Director's individual skills and experience. The NC also considers the guidelines set out in the Code for the evaluation and assessment of the performance of the Board as a whole and its Board Committees in achieving strategic objectives. The NC has developed a process of evaluation of performance of individual director through establishment of quantifiable performance criteria taken into consideration the extent of their attendance, participation and contributions in the proceedings of the meetings to be adopted for the next financial year.

The NC, in considering the re-nomination and re-appointment of any director, had considered the attendance records for the meetings of the Board and its Board committees, the intensity of participation at meetings, the quality of contributions to the development of strategy, the degree of preparedness, industry and business knowledge and experience each director possesses, which are crucial to the Group's business. The selected performance criteria will not change from year to year unless they are deemed necessary and the Board is able to justify the changes.

During the financial year, the NC had met to discuss and assess the evaluation of the Board's performance as a whole and its Board Committees and the results of the assessment had been communicated to and accepted by the Board.

# CORPORATE GOVERNANCE REPORT

## 1.6 Access to Information

**Principle 6: In order to fulfill their responsibilities, directors should be provided with complete, adequate and timely information prior to board meetings and on an on-going basis so as to enable them to make informed decisions to discharge their duties and responsibilities**

The Company recognises the importance of continual dissemination of relevant information which is explicit, accurate, timely and vital to the Board in carrying out its duties. As such, the Board expects the Management to report the Company's progress and drawbacks in meeting its strategic business objectives or financial targets and other information relevant to the strategic issues encountered by the Company, in a timely and accurate manner.

In exercising their duties, the Directors have unrestricted access to the Company's Management, Company Secretary and independent auditors. Under the direction of the Chairman, the Company Secretary ensures good information flow within the Board and its Board Committees and between Management and Non-Executive Directors. The Company Secretary and/or his representatives attend all Board meetings and Board Committee meetings and assist the Chairman of the Board Committees in ensuring that the relevant procedures are followed and reviewed such that the Board and Board Committees function effectively. The decision to appoint or remove the Company Secretary is a decision made by the Board as a whole.

Each Director has the right to seek independent legal and other professional advice, at the Company's expense, concerning any aspect of the Group's operations or undertakings in order to fulfill their duties and responsibilities as Directors.

## 2. REMUNERATION MATTERS

### 2.1 Procedures for Developing Remuneration Policies

**Principle 7: There should be a formal and transparent procedure for developing policy on executive remuneration and for fixing the remuneration packages of individual directors. No director should be involved in deciding his own remuneration**

The Group's remuneration policy is to provide compensation packages at market rates, which reward successful performance and attract, retain and motivate directors and key management personnel.

The RC comprises entirely of Independent Directors and the members of the RC are as follows:

<b>Name of Director</b>	<b>Position Held</b>
Dr Low Seow Chay	Chairman
Mr Tan Sim Cheng	Member
Mr Chee Teck Kwong Patrick	Member

## CORPORATE GOVERNANCE REPORT

The RC is regulated by its terms of reference and has access to independent professional advice, if necessary. The responsibilities of the RC are as follows:

- (i) to review and recommend to the Board a general framework of remuneration for the Directors and key management personnel, including those employees related to the Executive Directors and controlling shareholders of the Group, and determine specific remuneration packages for each Executive Director, senior Management or key management personnel;
- (ii) to carry out its duties in the manner deemed effective, subject always to any regulations or restrictions that may be imposed upon the RC by the Board from time to time; and
- (iii) ensure that all aspects of remuneration are covered, taking into consideration Principle 8 and Guidelines 8.1 to 8.4 of the Code, that the remuneration packages are comparable within the industry and comparable companies; and shall include a performance-related element with appropriate and meaningful measures of assessing performance. The remuneration packages of employees related to Executive Directors and controlling shareholders of the Group are in line with the Group's staff remuneration guidelines and commensurate with their respective job scopes and levels of responsibility.

The RC has access to expert advice inside and/or outside the Company with regard to remuneration matters. No individual Director shall be involved in deciding his/her own remuneration.

All aspects of remuneration, including but not limited to Directors' fees, salaries, allowances, bonuses and other benefits-in-kind shall be covered by the RC. Each member of the RC shall abstain from voting on any resolutions in respect of his/her remuneration package. The RC recommendations are submitted for endorsement by the entire Board.

The RC, in considering the remuneration of all Directors, has not sought external advice nor appointed remuneration consultants for the financial year ended 30 June 2016. The Directors' fees to be paid to the Directors are subject to shareholders' approval at the forthcoming AGM.

In reviewing the service agreements of the Executive Directors and key management personnel of the Company, the RC will review the Company's obligations arising in the event of termination of these service agreements, to ensure that such service agreements contain fair and reasonable termination clauses which are not overly generous. The RC aims to be fair and avoid rewarding poor performance.

# CORPORATE GOVERNANCE REPORT

## 2.2 Level and Mix of Remuneration

***Principle 8: The level and structure of remuneration should be aligned with the long-term interest and risk policies of the company, and should be appropriate to attract, retain and motivate (a) the directors to provide good stewardship of the company, and (b) key management personnel to successfully manage the company. However, companies should avoid paying more than is necessary for this purpose***

In setting remuneration packages, the Company takes into account pay and employment conditions within the same industry and comparable companies, as well as the Group's relative performance and risk policies of the Company and the performance of individual Directors.

The Independent and Non-Executive Directors receive Directors' fees, in accordance with their contribution, taking into account factors such as effort, time spent, responsibilities of the Directors and the necessity to pay competitive fees to attract, motivate and retain such Independent and Non-Executive Directors. Directors' fees are recommended by the Board for approval by the shareholders at the AGM of the Company. Non-Executive Directors are not be over-compensated to the extent that their independence may be compromised.

The service agreements entered into with the three Executive Directors, namely, (1) Mr Cheng Buck Poh @ Chng Bok Poh, is for a period of three years effective from 28 August 2011 and will continue for a further term of three years unless otherwise terminated by either party upon giving not less than three months' notice in writing to the other; and (2) Mr Cheng Yao Tong and (3) Ms Cheng Li Hui, are renewed for a minimum term of three years with effect from 3 January 2015 and unless otherwise terminated by either party, giving not less than six months' notice in writing to the other, or in lieu of such notice, six months' salary based on the Executive Director's last drawn monthly salary.

The Group has also previously entered into various letters of employment with all of the Executive Officers. Such letters typically provide for the salaries payable to the Executive Officers, their working hours, annual leave, medical benefits, grounds of termination and certain restrictive covenants.

The Company does not use contractual provisions to allow the Company to reclaim incentive components of remuneration from Executive Directors and key management personnel in exceptional circumstances of misstatement of financial results or misconduct resulting in financial loss to the Company. The Executive Directors owe a fiduciary duty to the Company. The Company should be able to avail itself to remedies against the Executive Directors in the event of such breach of fiduciary duties.

# CORPORATE GOVERNANCE REPORT

## 2.3 Disclosure on Remuneration

**Principle 9: Every company should provide clear disclosure of its remuneration policies, level and mix of remuneration, and the procedure for setting remuneration, in the company's Annual Report. It should provide disclosure in relation to its remuneration policies to enable investors to understand the link between remuneration paid to directors and key management personnel, and performance**

The breakdown of remuneration of the Directors of the Company, in percentage terms showing the level and mix, for the financial year ended 30 June 2016 falling within the broad bands are set out below:

The Board believes that it is for the benefit of the Company and the Group that the remuneration of the Directors due to its sensitive nature and the long-term performance of the Group, especially in a highly competitive industry. Similarly, the remuneration of the top key management personnel was shown in bands of S\$250,000 due to the Company's concern over poaching of these key management personnel by competitors.

Name of Directors	Salary	Variable Bonus	Directors' Fees	Benefits	Total
	%	%	%	%	%
<b>\$750,000 to \$1,000,000</b>					
Mr Cheng Buck Poh @ Chng Bok Poh	49	50	–	1	100
Mr Cheng Yao Tong	52	47	–	1	100
<b>\$500,000 to \$750,000</b>					
Ms Cheng Li Hui	55	41	–	4	100
<b>Below \$250,000</b>					
Ms Cheng Li Chen	–	–	100	–	100
Mr Tan Sim Cheng	–	–	100	–	100
Dr Low Seow Chay	–	–	100	–	100
Mr Chee Teck Kwong Patrick	–	–	100	–	100

The Company's staff remuneration policy is based on individual's rank and role, its individual performance, Company's performance and industry benchmarking gathered from companies in comparable industries.

# CORPORATE GOVERNANCE REPORT

Details of remuneration paid to key management personnel of the Group (who are not Directors), in percentage terms showing the level and mix, for the financial year ended 30 June 2016 are set out below:

## Top 2 Management Personnel of the Group

Names	Salary (%)	Bonus (%)	Other Benefits (%)	Total (%)
<b>\$250,000 to \$500,000</b>				
Ms Cheng Wee Ling	48	48	4	100
<b>Below \$250,000</b>				
Mr Yow Hon Meng, Jason	88	11	1	100

The aggregate total remuneration paid to the top two key management personnel (who are not directors or the CEO) for the year ended 30 June 2016 is approximately S\$500,000.

Our CEO, Mr Cheng Yao Tong, our Deputy Chief Executive Officer, Ms Cheng Li Hui and our Non-Executive Director, Ms Cheng Li Chen are the children of Mr Cheng Buck Poh @ Chng Bok Poh. In addition, Ms Cheng Wee Ling, the Managing Director of Tele-Centre Services Pte Ltd is the daughter of Mr Cheng Buck Poh @ Chng Bok Poh.

Save as disclosed, no employee of the group who is an immediate family member of any Director or the CEO or a controlling shareholder and whose remuneration exceeds S\$50,000 during the financial year ended 30 June 2016. ("Immediate family member" refers to the spouse, child, adopted child, step-child, brother, sister or parent).

The Company has no employee share option schemes or other long-term incentive scheme in place and will consider it as and when it deemed necessary.

## 3. ACCOUNTABILITY AND AUDIT

### 3.1 Accountability

**Principle 10: The Board should present a balanced and understandable assessment of the company's performance, position and prospects**

The Board believes that it should conduct itself in ways that deliver maximum sustainable value to its shareholders. Timely releases of the Group's financial results and all significant information to shareholders as well as the prompt fulfillment of statutory requirements to provide shareholders' confidence and trust in the Board's capability and integrity.

# CORPORATE GOVERNANCE REPORT

The Board is supported by Board Committees with certain areas of responsibilities and the provision of a continual flow of relevant information on a timely basis by the Management enables the Board to effectively discharge its duties.

The Management is responsible to the Board and the Board itself is accountable to the shareholders. AGMs are held every year to obtain shareholders' approval for routine business, as well as the election of Directors.

The Board has undertaken measures to ensure compliance with its statutory responsibilities and any relevant legislative and regulatory requirements. The Board also ensures that the principal risks of the Company's business are identified and appropriately managed.

The Directors and key management personnel have provided undertakings of compliance with the requirements of the SGX-ST in accordance with Rule 720(1) of the Listing manual.

## 3.2 Risk Management and Internal Controls

***Principle 11: The Board is responsible for the governance of risk. The Board should ensure that Management maintains a sound system of risk management and internal controls to safeguard shareholders' interests and the company's assets, and should determine the nature and extent of the significant risks which the Board is willing to take in achieving its strategic objectives***

The Board recognizes the importance of sound internal controls and risk management practices. The Board is responsible for the overall internal control framework, but acknowledges that no cost-effective internal control system will preclude all errors and irregularities.

The internal controls in place will address the financial, operational (including information technology) and compliance risks and the objectives of these controls are to provide reasonable assurance that there are no material financial misstatements or material loss, there are maintenance of proper accounting records, financial information are reliable and assets are safeguarded.

An Enterprise Risk Management ("ERM") programme has been implemented to identify, prioritise, assess, manage and monitor key risks. The risk management process in place covers, *inter alia*, financial, operational (including information technology) and compliance risks faced by the Group, as well as assess its risk management systems. Key risks identified are deliberated by Senior Management and reported to the AC. The AC reviews the adequacy and effectiveness of the ERM programme against identified key risks vis-à-vis changes in the Group's operating environment.

Complementing the ERM programme is a Group-wide system of internal controls, which includes documented policies and procedures, proper segregation of duties, approval procedures and authorities, as well as checks-and-balances built into the business processes.

To ensure that internal controls and risk management processes are adequate and effective, the AC is assisted by various independent professional service providers. External auditors provide assurance over the risk of material misstatements in the Group's financial statements. The assistance of the internal and external auditors

# CORPORATE GOVERNANCE REPORT

has enabled the AC to carry out assessments of the effectiveness of the key internal controls during the year. Any material non-compliance or weaknesses in internal controls or recommendations from the internal and external auditors to further improve the internal controls were reported to the AC. The AC will also follow up on the actions taken by the Management on the recommendations made by the internal and external auditors. Based on the reports submitted by the internal and external auditors received by the AC and the Board, nothing material has come to the attention of the AC and the Board to cause the AC and the Board to believe that the internal controls and risk management processes are not satisfactory for the type and size of business conducted.

The Board has received assurances from the Executive Directors, the Chief Executive Officer and the Chief Financial Officer (“CFO”) of the Company that (a) the financial records have been properly maintained and the financial statements give a true and fair view of the Group’s operations and finances; and (b) the Group’s risk management and internal control systems are sufficiently effective.

Based on the internal controls established and maintained by the Group, work performed by the internal and external auditors, and reviews performed by Management, the Board with the concurrence of the AC, is of the opinion that the Group’s system of internal controls and risk management procedures in addressing the financial, operational, compliance and information technology controls and risk management systems maintained by the Group during the year are adequate and effective as at 30 June 2016.

### 3.3 Audit Committee

***Principle 12: The Board should establish an AC with written terms of reference which clearly set out its authority and duties***

The AC comprises entirely of Independent Directors and the members of the AC are as follows:

<b>Name of Director</b>	<b>Position held</b>
Mr Tan Sim Cheng	Chairman
Dr Low Seow Chay	Member
Mr Chee Teck Kwong Patrick	Member

The members of the AC have many years of expertise and experience in accounting, legal, business and financial management. The Board considers the members of the AC appropriately qualified to discharge the responsibilities of the AC.

The AC is regulated by its terms of reference and its key functions include:

- (i) to review the audit plans of the internal auditors and external auditors of the Company with the CFO, the internal auditors’ evaluation of the adequacy of the Company’s system of accounting controls and the co-operation given by the Company’s Management to the internal auditors and external auditors;
- (ii) to review significant financial reporting issues and judgments with the CFO and the external auditors so as to ensure the integrity of the financial statements of the Company and any formal announcements relating to the Group’s financial performance, before submission to the Board;

## CORPORATE GOVERNANCE REPORT

- (iii) to review the adequacy and effectiveness of the Company's material internal controls with the CFO, including financial, operational (including information technology) and compliance controls and risk management via reviews carried out by the internal auditors;
- (iv) to review the effectiveness of the Company's internal audit functions;
- (v) to meet with the external auditors, other Board Committees and the Management in separate sessions to discuss any matters that these groups believe should be discussed privately with the AC;
- (vi) to review legal and regulatory matters with the CFO and the external auditors that may have a material impact on the financial statements, related compliance policies and programmes and any reports received from regulators;
- (vii) to review the co-operation given by the Management to the auditors;
- (viii) to consider the appointment and re-appointment of the external auditors and internal auditors;
- (ix) to review the cost effectiveness and the independence and objectivity of the external auditors;
- (x) to review the nature and extent of non-audit services provided by the external auditors;
- (xi) to recommend to the Board the external auditors to be nominated, to approve the compensation of the external auditors and to review the scope and results of the audit;
- (xii) to report actions and minutes of the AC to the Board with such recommendations as the AC considers appropriate;
- (xiii) to review interested person transactions in accordance with the requirements of the Listing Manual of the SGX-ST; and
- (xiv) to generally undertake such other functions and duties, as may be required by statute or the Listing Manual of the SGX-ST and by such amendments made thereto from time to time.

The AC has full access to and co-operation of the Management, external auditors and internal auditors. It also has full discretion to invite any Director and Executive Officer to attend its meetings. The AC has adequate resources to enable it to discharge its responsibilities properly.

Each member of the AC shall abstain from voting on any resolutions and making any recommendations and/or participating in any deliberations of the AC in respect of matters in which he is interested.

The external auditors have unrestricted access to the AC. Both the external auditors and internal auditors report directly to the AC in respect of their findings and recommendations. In the year, the AC met with the external auditors separately without the presence of the Management. The AC reviews the findings from the auditors and the assistance given to the auditors by the Management.

# CORPORATE GOVERNANCE REPORT

The AC, having reviewed the scope and value of non-audit services provided to the Group by the external auditors, is satisfied that there are no such services provided, thus will not prejudice and affect the independence and objectivity of the external auditors. The audit and non-audit fees paid/payable to the external auditors for the financial year ended 30 June 2016 were S\$143,500 and S\$ nil respectively.

The Company has complied with Rules 715 of the Listing Manual of the SGX-ST as all principal subsidiaries of the Company are audited by Messrs Ernst & Young LLP, for the purposes of the consolidated financial statements of the Group.

The AC will undertake a review of the scope of services provided by the external auditors, the independence and the objectivity of the external auditors on annual basis. Messrs Ernst & Young LLP, the external auditors of the Company, has confirmed that they are a Public Accounting Firm registered with ACRA and provided a confirmation of their independence to the AC. The AC had assessed the external auditors based on factors such as performance, adequacy of resources and experience of their audit engagement partner and auditing team assigned to the Group's audit, given the size and complexity of the Group. Accordingly, the AC is satisfied that Rule 712 of the Listing Manual of the SGX-ST is complied with and has recommended the Board that Messrs Ernst & Young LLP be nominated for re-appointment as external auditors at the forthcoming AGM of the Company.

In July 2010, the Singapore Exchange Limited and ACRA had launched the "Guidance to Audit Committees on Evaluation of Quality of Work performed by External Auditors" which aims to facilitate the AC in evaluating the external auditors. Accordingly, the AC had evaluated the performance of the external auditors based on the key indicators of audit quality set out in the guidance.

Changes to accounting standards and accounting issues which have a direct impact on the financial statements were reported to the AC and highlighted by the external auditors in their meetings with the AC. No former partner or director of the Company's existing auditing firm has acted as a member of the AC.

The AC had reviewed, approved and implemented a Whistle Blowing Policy whereby staff of the Group may, in confidence, raise concerns about possible improprieties in matter of financial reporting or other matters. The policy includes arrangements for independent investigation and appropriate follow-up of such matters. As at the date of this report, there was no report received through the whistle-blowing mechanism.

## 3.4 Internal Audit

***Principle 13: The Company should establish an effective internal audit function that is adequately resourced and independent of the activities it audits***

The Company had outsourced its internal audit functions to the independent internal auditors ("IA"), PricewaterhouseCoopers LLP for the financial year ended 30 June 2016. The internal audit plan is submitted to the AC for approval prior to the commencement of the internal audit work. The IA reviews the effectiveness of key internal controls in accordance with the internal audit plan and presents the internal audit reports to the Board. The IA is adequately resourced with competent professionals and reported directly to the AC and assists the AC in overseeing and monitoring the implementation and improvements required on internal control weaknesses identified.

# CORPORATE GOVERNANCE REPORT

The AC reviews and approves the annual internal audit plans and reviews the scope and results of internal audit procedures issued by the IA.

The AC reviews the adequacy and effectiveness of the internal audit function annually and as and when the circumstances require.

## 4. SHAREHOLDERS RIGHTS AND RESPONSIBILITIES

### 4.1 Shareholder Rights

**Principle 14: Companies should treat all shareholders fairly and equitably, and should recognize, protect and facilitate the exercise of shareholders' rights and continually review and update such governance arrangements**

In line with the continuous disclosure obligations of the Company pursuant to the Listing Rules of the SGX-ST and the Singapore Companies Act, Chapter 50, it is the Board's policy to ensure that all shareholders are informed regularly and on a timely basis of every significant development that has an impact on the Group.

All the shareholders of the Company receive annual reports together with the notice of AGM by post, published in a newspaper and via SGXNet within the mandatory period. Besides that, all shareholders also will receive the relevant circular together with the notice of Extraordinary General Meeting ("EGM") by post, published in a newspaper and via SGXNet. Accompanying the notice of AGM and EGM, a copy of the proxy form is attached for the shareholders, so that the shareholders may appoint maximum of up to two proxies to attend, vote and question the Board and Management, for an on behalf of the shareholders who are not able to attend the general meetings personally.

In view of the above, all the shareholders are given an opportunity to participate effectively and vote at the general meetings.

### 4.2 Communications with Shareholders

**Principle 15: Companies should actively engage their shareholders and put in place an investor relations policy to promote regular, effective and fair communication with shareholders**

The Company adopts the practice of providing adequate and timely disclosure of material information to its shareholders. Where there is an inadvertent disclosure made to a selected group, the Company will make the same disclosure publicly as soon as practicable.

Pertinent information is communicated to shareholders on a regular and timely basis through the following means:

- Results and annual reports are announced or issued within the mandatory period;

# CORPORATE GOVERNANCE REPORT

- Material information are disclosed in a comprehensive, accurate and timely manner via SGXNet and the press; and
- Company's general meetings.

The Company does not practice selective disclosure, price sensitive information is first publicly released through SGXNet prior to the Company meeting with any investors or analysts. All shareholders of the Company will receive the Annual Report with notice of AGM.

The Company does not have any dividend policy in place. The issue of payment of dividends is deliberated by the Board annually having regard to various factors.

## 4.3 Conduct of Shareholder Meetings

***Principle 16: Companies should encourage greater shareholder participation at general meetings of shareholders, and allow shareholders the opportunity to communicate their views on various matters affecting the company***

Our shareholders are encouraged to attend the AGM to ensure a high level of accountability and to be updated on the Company's strategies and goals. Notice of the AGM is dispatched to shareholders, together with explanatory notes or a circular on items of special businesses (if necessary), at least fourteen clear calendar days before the meeting. The Board welcomes questions from shareholders who wish to raise issues, either informally or formally before or during the AGM. Voting procedures and rules that govern general meetings of shareholders are clearly disclosed to the shareholders in the AGM. The Chairman of the AC, NC and RC are normally present and available to address questions relating to the work of their respective committees at general meetings. Furthermore, the external auditors are present to assist our Board in addressing any relevant queries by our shareholders.

The Company's Constitution allows corporations and members of the Company to appoint one (1) or two (2) proxies to attend and vote at general meetings. A Relevant Intermediary<sup>1</sup> may appoint more than 2 proxies, but each proxy must be appointed to exercise the rights attached to a different share or shares held by him (which number and class of shares shall be specified). An investor who holds shares under the Central Provident Fund Investment Scheme ("**CPF Investor**") and/or the Supplementary Retirement Scheme ("**SRS Investor**") (as may be applicable) may attend and cast his vote(s) at the Meeting in person.

<sup>1</sup> A Relevant Intermediary is:

- a banking corporation licensed under the Banking Act (Cap. 19) or a wholly-owned subsidiary of such a banking corporation, whose business includes the provision of nominee services and who holds shares in that capacity; or
- a person holding a capital markets services licence to provide custodial services for securities under the Securities Futures Act (Cap. 289) and who holds shares in that capacity; or
- the Central Provident Fund Board established by the Central Provident Fund Act (Cap. 36), in respect of shares purchased under the subsidiary legislation made under that Act providing for the making of investments from the contributions and interest standing to the credit of members of the Central Provident Fund, if the Board holds those shares in the capacity of an intermediary pursuant to or in accordance with that subsidiary legislation.

## CORPORATE GOVERNANCE REPORT

CPF and SRS Investors who are unable to attend the Meeting but would like to vote, may inform their CPF and/or SRS Approved Nominees to appoint the Chairman of the Meeting to act as their proxy, in which case, the CPF and SRS Investors shall be precluded from attending the Meeting.

Every matter requiring shareholders' approval is proposed as a separate resolution at the general meeting to address each distinct issue and all the resolutions to vote by poll. The Company has implemented the system of voting by poll at its upcoming AGM. Results of each resolution put to vote at the AGM will be announced with the detailed voting results, including the total number and/or percentage of votes cast for or against each resolution tabled in the AGM, were announced immediately at the AGMs and via SGXNet.

Each item of special business included in the notice of the meeting is accompanied, where appropriate, by an explanation for the proposed resolution. Separate resolutions are proposed for substantially separate issues at the meeting.

The Company Secretary prepares minutes of general meetings that include substantial and relevant comments or queries from shareholders relating to the agenda of the meeting, and responses from the Board and Management. These minutes are available to shareholders upon their request.

### ADDITIONAL INFORMATION

#### 5. DEALING IN SECURITIES

The Company has adopted and ensured compliance with the Rule 1207(19) of the Listing Manual of the SGX-ST with regards to dealings in the Company's securities by its Directors and officers. The Company, Directors and its officers are prohibited from dealing in the securities of the Company during the period commencing two weeks immediately preceding the announcement of the Company's quarterly financial results and one month immediately preceding the announcement of the Company's full year financial results and ending on the date of the announcement of such results on the SGX-ST, or when they are in possession of any unpublished price sensitive information of the Group.

## Audit Committee

The Audit Committee (“AC”) comprises the following three Independent Directors:

Tan Sim Cheng (Chairman)  
Low Seow Chay  
Chee Teck Kwong Patrick

The AC performs the functions set out in the Singapore Companies Act, the Listing Manual and Best Practices Guide issued by Singapore Exchange Securities Trading Ltd. In performing those functions, the AC reviewed the overall scope of the internal audit functions, external audit functions and the assistance given by the Company’s officers to the auditors.

The AC met with the external auditors to discuss the results of their audit. The AC also reviewed the financial statements of the Company and the consolidated financial statements of the Group for the financial year ended 30 June 2016, as well as the external auditor’s report thereon.

The AC held 4 meetings during the financial year ended 30 June 2016.

The AC, having reviewed all the non-audit services provided by the external auditors, is satisfied that the nature and extent of such services would not affect the independence of the external auditors. The AC has also conducted a review of interested person transactions.

Further details regarding the AC are disclosed in the Report on Corporate Governance.

## Auditor

# INDEPENDENT AUDITOR'S REPORT

For the financial year ended 30 June 2016

Independent auditor's report to the members of Hai Leck Holdings Limited

## Report on the Financial Statements

We have audited the accompanying financial statements of Hai Leck Holdings Limited (the "**Company**") and its subsidiary companies (collectively the "**Group**"), which comprise the balance sheets of the Group and the Company as at 30 June 2016, the statements of changes in equity of the Group and the Company, and the consolidated income statement, consolidated statement of comprehensive income and consolidated cash flow statement of the Group for the year then ended, and a summary of significant accounting policies and other explanatory information.

### *Management's Responsibility for the Financial Statements*

Management is responsible for the preparation of financial statements that give a true and fair view in accordance with the provisions of the Singapore Companies Act, Chapter 50 (the "**Act**") and Singapore Financial Reporting Standards, and for devising and maintaining a system of internal accounting controls sufficient to provide a reasonable assurance that assets are safeguarded against loss from unauthorised use or disposition; and transactions are properly authorised and that they are recorded as necessary to permit the preparation of true and fair financial statements and to maintain accountability of assets.

### *Auditor's Responsibility*

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with Singapore Standards on Auditing. Those standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

### *Opinion*

In our opinion, the consolidated financial statements of the Group and the balance sheet and statement of changes in equity of the Company are properly drawn up in accordance with the provisions of the Act and Singapore Financial Reporting Standards so as to give a true and fair view of the financial position of the Group and the Company as at 30 June 2016 and the financial performance, changes in equity and cash flows of the Group and the changes in equity of the Company for the year ended on that date.

# NOTES TO THE FINANCIAL STATEMENTS

## 1. CORPORATE INFORMATION

Hai Leck Holdings Limited (the “**Company**”) is a limited liability company, domiciled and incorporated in Singapore and is listed on the Singapore Exchange Securities Trading Limited (“**SGX-ST**”).

The registered office and principal place of business of the Company is located at 47 Tuas View Circuit, Singapore 637357.

The principal activities of the Company are those of investment holding and providing managerial, administrative, supervisory and consultancy services to any company in which the Company has an interest. The principal activities of the subsidiary companies are disclosed in Note 12.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

### 2.1 Basis of preparation

The consolidated financial statements of the Group and the balance sheet and statement of changes in equity of the Company have been prepared in accordance with Singapore Financial Reporting Standards (FRS).

The financial statements have been prepared on the historical cost basis, except as disclosed in the accounting policies below.

The financial statements are presented in Singapore Dollars (SGD or \$). All values are rounded to the nearest thousand (\$'000), except when otherwise indicated.

### 2.2 Changes in accounting policies

The accounting policies adopted are consistent with those of the previous financial year except in the current financial year, the Group has adopted all the new and revised standards which are effective for annual periods beginning on or after 1 July 2015. The adoption of these standards and interpretations did not have any effect on the financial performance or position of the Group and the Company.

### 2.3 Standards issued but not yet effective

The Group has not adopted the following standards and interpretations that have been issued but not yet effective:

Description	Effective for annual periods beginning on or after
Amendments to FRS 7: <i>Disclosure Initiative</i>	1 January 2017
Amendments to FRS 12: <i>Recognition of Deferred Tax Assets for Unrealised Losses</i>	1 January 2017
FRS 115 <i>Revenue from Contracts with Customers</i>	1 January 2018
Amendments to FRS 115: <i>Clarifications to FRS 115 Revenue from Contracts with Customers</i>	1 January 2018
FRS 109 <i>Financial Instruments</i>	1 January 2018
FRS 116 <i>Leases</i>	1 January 2019

# NOTES TO THE FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### 2.3 Standards issued but not yet effective (Continued)

Except for FRS 116, the Directors expect that the adoption of the other standards above will have no material impact on the financial statements in the period of initial application. The nature of the impending changes in accounting policy on adoption of FRS 116 is described below.

#### **FRS 116 Leases**

FRS 116 requires lessees to recognise for most leases, a liability to pay rentals with a corresponding asset, and recognise interest expense and depreciation separately. The new standard is effective for annual periods beginning on or after 1 January 2019.

The Group is currently assessing the impact of the new standard and plans to adopt the new standard on the required effective date. The Group expects the adoption of the new standard will result in increase in total assets and total liabilities, EBITDA and gearing ratio.

### 2.4 Foreign currency

The financial statements are presented in Singapore Dollars, which is also the Company's functional currency. Each entity in the Group determines its own functional currency and items included in the financial statements of each entity are measured using that functional currency.

#### **(i) Transactions and balances**

Transactions in foreign currencies are measured in the respective functional currencies of the Company and its subsidiary companies and are recorded on initial recognition in the functional currencies at exchange rates approximating those ruling at the transaction dates. Monetary assets and liabilities denominated in foreign currencies are translated at the rate of exchange ruling at the end of the reporting period. Non-monetary items that are measured in terms of historical cost in a foreign currency are translated using the exchange rates as at the dates of the initial transactions. Non-monetary items measured at fair value in a foreign currency are translated using the exchange rates at the date when the fair value was measured.

Exchange differences arising on the settlement of monetary items or on translating monetary items at the end of the reporting period are recognised in profit or loss.

#### **(ii) Consolidated financial statements**

For consolidation purpose, the assets and liabilities of foreign operations are translated into SGD or \$ at the rate of exchange ruling at the end of each reporting period and their profit or loss are translated at the exchange rates prevailing at the date of the transactions. The exchange differences arising on the translation are recognised in other comprehensive income. On disposal of a foreign operation, the component of other comprehensive income relating to that particular foreign operation is recognised in profit or loss.

# NOTES TO THE FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### 2.5 Basis of consolidation and business combinations

#### (i) *Basis of consolidation*

The consolidated financial statements comprise the financial statements of the Company and its subsidiary companies as at the end of the reporting period. The financial statements of the subsidiary companies used in the preparation of the consolidated financial statements are prepared for the same reporting date as the Company. Consistent accounting policies are applied to like transactions and events in similar circumstances.

All intra-group balances, income and expenses and unrealised gains and losses resulting from intra-group transactions and dividends are eliminated in full.

Subsidiary companies are consolidated from the date of acquisition, being the date on which the Group obtains control, and continue to be consolidated until the date that such control ceases.

Losses within a subsidiary company are attributed to the non-controlling interest even if that results in a deficit balance.

A change in the ownership interest of a subsidiary company, without a loss of control, is accounted for as an equity transaction. If the Group loses control over a subsidiary company, it:

- De-recognises the assets (including goodwill) and liabilities of the subsidiary company at their carrying amounts at the date when control is lost;
- De-recognises the carrying amount of any non-controlling interest;
- De-recognises the cumulative translation differences recorded in equity;
- Recognises the fair value of the consideration received;
- Recognises the fair value of any investment retained;
- Recognises any surplus or deficit in profit or loss;
- Re-classifies the Group's share of components previously recognised in other comprehensive income to profit or loss or retained earnings, as appropriate.

# NOTES TO THE FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### 2.5 Basis of consolidation and business combinations (Continued)

#### (ii) *Business combinations*

Business combinations are accounted for by applying the acquisition method. Identifiable assets acquired and liabilities assumed in a business combination are measured initially at their fair values at the acquisition date. Acquisition-related costs are recognised as expenses in the periods in which the costs are incurred and the services are received.

When the Group acquires a business, it assesses the financial assets and liabilities assumed for appropriate classification and designation in accordance with the contractual terms, economic circumstances and pertinent conditions as at the acquisition date. This includes the separation of embedded derivatives in host contracts by the acquiree.

Any contingent consideration to be transferred by the acquirer will be recognised at fair value at the acquisition date. Subsequent changes to the fair value of the contingent consideration which is deemed to be an asset or liability, will be recognised in profit or loss.

The Group elects for each individual business combination, whether non-controlling interest in the acquiree (if any), that are present ownership interests and entitle their holders to a proportionate share of net assets in the event of liquidation, is recognised on the acquisition date at fair value, or at the non-controlling interest's proportionate share of the acquiree's identifiable net assets. Other components of non-controlling interests are measured at their acquisition date fair value, unless another measurement basis is required by another FRS.

Any excess of the sum of the fair value of the consideration transferred in the business combination, the amount of non-controlling interest in the acquiree (if any), and the fair value of the Group's previously held equity interest in the acquiree (if any), over the net fair value of the acquiree's identifiable assets and liabilities is recorded as goodwill. In instances where the latter amount exceeds the former, the excess is recognised as gain on bargain purchase in profit or loss on the acquisition date.

### 2.6 Subsidiary companies

A subsidiary company is an investee that is controlled by the Group. The Group controls an investee when it is exposed or has rights, to variable returns through its power over the investee.

In the Company's separate financial statements, investments in subsidiary companies are accounted for at cost less any impairment losses.

# NOTES TO THE FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### 2.7 Joint arrangement

A joint arrangement is a contractual arrangement whereby two or more parties have joint control. Joint control is the contractually agreed sharing of control of an arrangement, which exists only when decisions about the relevant activities require the unanimous consent of the parties sharing control.

A joint arrangement is classified either as joint operation or joint venture, based on the rights and obligations of the parties to the arrangement.

To the extent the joint arrangement provides the Group with rights to the assets and obligations for the liabilities relating to the arrangement, the arrangement is a joint operation. To the extent the joint arrangement provides the Group with rights to the net assets of the arrangement, the arrangement is a joint venture.

The Group recognises its interest in a joint venture as an investment and accounts for the investment using the equity method from the date on which it becomes a joint venture.

Under the equity method, the investment in joint ventures are carried in the balance sheet at cost plus post-acquisition changes in the Group's share of net assets of the joint ventures. The profit or loss reflects the share of results of the operations of the joint ventures. Distributions received from joint ventures reduce the carrying amount of the investment. Where there has been a change recognised in other comprehensive income by the joint venture, the Group recognises its share of such changes in other comprehensive income. Unrealised gains and losses resulting from transactions between the Group and joint venture are eliminated to the extent of the interest in the joint ventures.

When the Group's share of losses in a joint venture equals or exceeds its interest in the joint venture, the Group does not recognise further losses, unless it has incurred legal or constructive obligations or made payments on behalf of the joint venture. After application of the equity method, the Group determines whether it is necessary to recognise an additional impairment loss on the Group's investment in joint ventures. The Group determines at the end of each reporting period whether there is any objective evidence that the investment in the joint venture is impaired. If this is the case, the Group calculates the amount of impairment as the difference between the recoverable amount of the joint venture and its carrying value and recognises the amount in profit or loss.

The financial statements of the joint ventures are prepared as the same reporting date as the Company. Where necessary, adjustments are made to bring the accounting policies in line with those of the Group.

# NOTES TO THE FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### 2.8 Property, plant and equipment

All items of property, plant and equipment are initially recorded at cost. Subsequent to recognition, property, plant and equipment are measured at cost less accumulated depreciation and any accumulated impairment losses.

Depreciation is computed on a straight-line basis over the estimated useful life of the asset as follows:

	<b>Rate of depreciation (%)</b>
Leasehold premises	3 – 4
Scaffolding materials	20 or over project duration*
Machineries and equipment	10
Motor vehicles	20
Office equipment	10
Workshop tools and equipment	20 – 33
Trucks, cranes and forklifts	20
Computers	33 – 100
Electrical appliances, air-conditioners, furniture and fittings and renovation	10 – 33

\* Certain scaffolding materials designated for specific projects are depreciated over the duration of the projects.

Improvements to leasehold premises are depreciated over the remaining life of the lease. Assets under construction included in property, plant and equipment are not depreciated as these assets are not yet available for use.

The carrying values of property, plant and equipment are reviewed for impairment when events or changes in circumstances indicate that the carrying value may not be recoverable.

The residual values, useful life and depreciation method are reviewed at each financial year-end and adjusted prospectively, if appropriate.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on de-recognition of the asset is included in profit or loss in the year the asset is derecognised.

# NOTES TO THE FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### 2.9 Intangible assets

Intangible assets acquired separately are measured initially at cost. Following initial recognition, intangible assets are carried at cost less any accumulated amortisation and any accumulated impairment losses. The useful lives of intangible assets are assessed to be either finite or indefinite. Intangible assets with finite lives are amortised on a straight-line basis over the estimated economic useful lives and assessed for impairment whenever there is an indication that the intangible asset may be impaired.

The amortisation period and the amortisation method for an intangible asset with a finite useful life are reviewed at least at each financial year-end.

Gains or losses arising from derecognition of an intangible asset are measured as the difference between the net disposal proceeds and the carrying amount of the asset and are recognised in profit or loss when the asset is derecognised.

- **Club memberships**

Club memberships is stated at cost less impairment losses and are amortised on a straight-line basis over 7 to 30 years.

- **Customer contracts**

Customer contracts were acquired in a business combination and measured at fair value as at the date of acquisition. Subsequently, customer contracts are amortised over their estimated useful lives of 1 to 2 years.

- **Intellectual property**

Intellectual property is stated at cost less impairment losses and are amortised on a straight-line basis over 3 years.

### 2.10 Impairment of non-financial assets

The Group assesses at each reporting date whether there is an indication that an asset may be impaired. If any such indication exists, or when annual impairment testing for an asset is required, the Group makes an estimate of the asset's recoverable amount.

An asset's recoverable amount is the higher of an asset's or cash-generating unit's fair value less costs of disposal and its value in use and is determined for an individual asset, unless the asset does not generate cash inflows that are largely independent of those from other assets or groups of assets. Where the carrying amount of an asset or cash-generating unit exceeds its recoverable amount, the asset is considered impaired and is written down to its recoverable amount.

# NOTES TO THE FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### 2.10 Impairment of non-financial assets (Continued)

Impairment losses are recognised in profit or loss.

A previously recognised impairment loss is reversed only if there has been a change in the estimates used to determine the asset's recoverable amount since the last impairment loss was recognised. If that is the case, the carrying amount of the asset is increased to its recoverable amount. That increased cannot exceed the carrying amount that would have been determined, net of depreciation, had no impairment loss been recognised previously. Such reversal of an impairment loss is recognised in profit or loss.

### 2.11 Financial instruments

#### (a) *Financial assets*

##### *Initial recognition and measurement*

Financial assets are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial assets at initial recognition.

When financial assets are recognised initially, they are measured at fair value, plus, in the case of financial assets not at fair value through profit or loss, directly attributable transaction costs.

##### *Subsequent measurement*

Non-derivative financial assets with fixed or determinable payments that are not quoted in an active market are classified as loans and receivables. Subsequent to initial recognition, loans and receivables are measured at amortised cost using the effective interest method, less impairment. Gains and losses are recognised in profit or loss when the loans and receivables are derecognised or impaired, and through the amortisation process.

##### *Derecognition*

A financial asset is derecognised where the contractual right to receive cash flows from the asset has expired. On derecognition of a financial asset in its entirety, the difference between the carrying amount and the sum of the consideration received and any cumulative gain or loss that has been recognised directly in other comprehensive income is recognised in profit or loss.

# NOTES TO THE FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### 2.11 Financial instruments (Continued)

#### (b) *Financial liabilities*

##### *Initial recognition and measurement*

Financial liabilities are recognised when, and only when, the Group becomes a party to the contractual provisions of the financial instrument. The Group determines the classification of its financial liabilities at initial recognition.

All financial liabilities are recognised initially at fair value plus in the case of financial liabilities not at fair value through profit or loss, directly attributable transaction costs.

##### *Subsequent measurement*

After initial recognition, financial liabilities that are not carried at fair value through profit or loss are subsequently measured at amortised cost using the effective interest method. Gains and losses are recognised in profit or loss when the liabilities are derecognised, and through the amortisation process.

##### *Derecognition*

A financial liability is derecognised when the obligation under the liability is discharged or cancelled or expires. When an existing financial liability is replaced by another from the same lender on substantially different terms, or the terms of an existing liability are substantially modified, such an exchange or modification is treated as a derecognition of the original liability and the recognition of a new liability, and the difference in the respective carrying amounts is recognised in profit or loss.

### 2.12 Impairment of financial assets

The Group assesses at each reporting date whether there is any objective evidence that a financial asset is impaired.

#### *Financial assets carried at amortised cost*

For financial assets carried at amortised cost, the Group first assesses whether objective evidence of impairment exists individually for financial assets that are individually significant, or collectively for financial assets that are not individually significant. If the Group determines that no objective evidence of impairment exists for an individually assessed financial asset, whether significant or not, it includes the asset in a group of financial assets with similar credit risk characteristics and collectively assesses them for impairment. Assets that are individually assessed for impairment and for which an impairment loss is, or continues to be recognised are not included in a collective assessment of impairment.

# NOTES TO THE FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### 2.12 Impairment of financial assets (Continued)

#### *Financial assets carried at amortised cost (Continued)*

If there is objective evidence that an impairment loss on financial assets carried at amortised cost has been incurred, the amount of the loss is measured as the difference between the asset's carrying amount and the present value of estimated future cash flows discounted at the financial asset's original effective interest rate. If a loan has a variable interest rate, the discount rate for measuring any impairment loss is the current effective interest rate. The carrying amount of the asset is reduced through the use of an allowance account. The impairment loss is recognised in profit or loss.

When the asset becomes uncollectible, the carrying amount of impaired financial asset is reduced directly or if an amount was charged to the allowance account, the amounts charged to the allowance account are written off against the carrying value of the financial asset.

To determine whether there is objective evidence that an impairment loss on financial assets has been incurred, the Group considers factors such as the probability of insolvency or significant financial difficulties of the debtor and default or significant delay in payments.

If in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed to the extent that the carrying amount of the asset does not exceed its amortised cost at the reversal date. The amount of reversal is recognised in profit or loss.

### 2.13 Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand and demand deposits that are readily convertible to known amounts of cash and which are subject to an insignificant risk of changes in value.

### 2.14 Inventories

Inventories are stated at the lower of cost and net realisable value. Costs incurred in bringing the inventories to their present location and condition are accounted for using purchase costs on a first-in, first-out basis.

When necessary, allowance is provided for damaged, obsolete and slow moving items to adjust the carrying value of inventories to the lower of cost and net realisable value.

Net realisable value is the estimated selling price in the ordinary course of business, less estimated costs of completion and the estimated costs necessary to make the sale.

# NOTES TO THE FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### 2.15 Contract work-in-progress

Contract revenue and contract costs are recognised as revenue and expenses respectively by reference to the stage of completion of the contract activity at the end of the reporting period (percentage of completion method), when the outcome of a construction contract can be estimated reliably.

The outcome of a construction contract can be estimated reliably when: (i) total contract revenue can be measured reliably; (ii) it is probable that the economic benefits associated with the contract will flow to the entity; (iii) the costs to complete the contract and the stage of completion can be measured reliably; and (iv) the contract costs attributable to the contract can be clearly identified and measured reliably so that actual contract costs incurred can be compared with prior estimates.

When the outcome of a contract cannot be estimated reliably (principally during early stages of a contract), contract revenue is recognised only to the extent of contract costs incurred that are likely to be recoverable and contract costs are recognised as expense in the period in which they are incurred.

An expected loss on the contract is recognised as an expense immediately when it is probable that total contract costs will exceed total contract revenue.

The stage of completion of a contract is determined by surveys of work performed.

Contract revenue corresponds to the initial amount of revenue agreed in the contract and any variations in contract work, claims and incentive payments to the extent that it is probable that they will result in revenues, and they can be reliably measured.

Contract costs include costs that relate directly to the specific contract and costs that are attributable to contract activity in general and can be allocated to the contract.

### 2.16 Provisions

#### *General*

Provisions are recognised when the Group has a present obligation (legal or constructive) as a result of a past event, it is probable that an outflow of resources embodying economic benefits will be required to settle the obligation and the amount of the obligation can be estimated reliably.

Provisions are reviewed at the end of each reporting period and adjusted to reflect the current best estimate. If it is no longer probable that an outflow of economic resources will be required to settle the obligation, the provision is reversed. If the effect of the time value of money is material, provisions are discounted using a current pre-tax rate that reflects, where appropriate, the risks specific to the liability. Where discounting is used, the increase in the provision due to the passage of time is recognised as a finance cost.

# NOTES TO THE FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### 2.16 Provisions (Continued)

#### *Warranty provisions*

Provisions for warranty-related costs are recognised when service is provided. Initial recognition is based on historical experience. The initial estimate of warranty-related costs is revised annually and any change is charged or credited to income statement.

### 2.17 Financial guarantee

A financial guarantee contract is a contract that requires the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due in accordance with the terms of a debt instrument.

Financial guarantees are recognised initially as a liability at fair value, adjusted for transaction costs that are directly attributable to the issuance of the guarantee. Subsequent to initial recognition, financial guarantees are recognised as income in profit or loss over the period of the guarantee. If it is probable that the liability will be higher than the amount initially recognised less amortisation, the liability is recorded at the higher amount with the difference charged to profit or loss.

### 2.18 Government grants

Government grants are recognised at their fair value where there is reasonable assurance that the grant will be received and all attaching conditions will be complied with.

### 2.19 Borrowing costs

Borrowing costs are capitalised as part of the cost of a qualifying asset if they are directly attributable to the acquisition, construction or production of a qualifying asset. Capitalisation of borrowing costs commences when the activities to prepare the asset for its intended use or sale are in progress and the expenditures and borrowing costs are being incurred. Borrowing costs are capitalised until the assets are substantially completed for their intended use. All other borrowing costs are expensed in the period they occur. Borrowing costs consist of interest and other costs that an entity incurs in connection with the borrowing of funds.

### 2.20 Employee benefits

#### (i) *Defined contribution plans*

The Company and the Group makes contributions to the Central Provident Fund scheme in Singapore, a defined contribution pension scheme. These contributions are recognised as an expense in the period in which the related service is performed.

# NOTES TO THE FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### 2.20 Employee benefits (Continued)

#### (ii) *Employee leave entitlement*

Employee entitlements to annual leave are recognised as a liability when they accrue to employees. The estimated liability for leave is recognised for services rendered by employees up to end of the reporting period.

### 2.21 Leases – as lessee

Finance leases which transfer to the Group substantially all the risks and rewards incidental to ownership of the leased item, are capitalised at the inception of the lease at the fair value of the leased asset or, if lower, at the present value of the minimum lease payments. Any initial direct costs are also added to the amount capitalised. Lease payments are apportioned between the finance charges and reduction of the lease liability so as to achieve a constant rate of interest on the remaining balance of the liability. Finance charges are charged to profit or loss. Contingent rents, if any, are charged as expenses in the periods in which they are incurred.

Capitalised leased assets are depreciated over the shorter of the estimated useful life of the asset and the lease term, if there is no reasonable certainty that the Group will obtain ownership by the end of the lease term.

Operating lease payments are recognised as an expense in profit or loss on a straight-line basis over the lease term. The aggregate benefit of incentives provided by the lessor is recognised as a reduction of rental expense over the lease term on a straight-line basis.

### 2.22 Revenue

Revenue is recognised to the extent that it is probable that the economic benefits will flow to the Group and the revenue can be reliably measured, regardless of when the payment is made. Revenue is measured at the fair value of consideration received or receivable, taking into account contractually defined terms of payment and excluding taxes or duty.

#### (i) *Project revenue*

Revenue from project is recognised by reference to the stage of completion when it can be measured reliably. The stage of completion is determined by surveys of work performed.

Where the project outcome cannot be measured reliably, revenue is recognised only to the extent of the expenses recognised that are recoverable.

# NOTES TO THE FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### 2.22 Revenue (Continued)

#### (ii) *Revenue from sale of goods/services rendered*

Revenue from sale of goods is recognised upon the transfer of significant risk and rewards of ownership of the goods to the customer, usually on delivery of goods and acceptance by customers. Revenue from services is recognised when services are rendered and accepted by customers.

Revenue is not recognised to the extent where there are significant uncertainties regarding recovery of the consideration due, associated cost or the possible return of goods.

#### (iii) *Interest income*

Interest income is recognised using the effective interest method.

### 2.23 Taxes

#### (i) *Current income tax*

Current income tax assets and liabilities for the current and prior periods are measured at the amount expected to be recovered from or paid to the taxation authorities. The tax rates and tax laws used to compute the amount are those that are enacted or substantively enacted at the end of each reporting period.

Current income taxes are recognised in profit or loss except to the extent that the tax relating to items recognised outside profit or loss, either in other comprehensive income or directly in equity. Management periodically evaluates positions taken in the tax returns with respect to situations in which applicable tax regulations are subject to interpretation and establishes provisions where appropriate.

#### (ii) *Deferred tax*

Deferred tax is provided using the liability method on temporary differences at the end of the reporting period between the tax bases of assets and liabilities and their carrying amounts for financial reporting purposes.

# NOTES TO THE FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### 2.23 Taxes (Continued)

#### (ii) *Deferred tax (Continued)*

Deferred tax liabilities are recognised for all taxable temporary differences, except:

- Where the deferred tax liability arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither accounting profit nor taxable profit or loss; and
- In respect of taxable temporary differences associated with investments in subsidiary companies and interest in joint venture, where the timing of the reversal of the temporary differences can be controlled and it is probable that the temporary differences will not reverse in the foreseeable future.

Deferred tax assets are recognised for all deductible temporary differences, carry forward of unused tax credits and unused tax losses, to the extent that it is probable that taxable profit will be available against which the deductible temporary differences, and the carry forward of unused tax credits and unused tax losses can be utilised except:

- Where the deferred tax asset relating to the deductible temporary difference arises from the initial recognition of an asset or liability in a transaction that is not a business combination and, at the time of the transaction, affects neither the accounting profit nor taxable profit or loss; and
- In respect of deductible temporary differences associated with investments in subsidiary companies and interest in joint venture, deferred tax assets are recognised only to the extent that it is probable that the temporary differences will reverse in the foreseeable future and taxable profit will be available against which the temporary differences can be utilised.

The carrying amount of deferred tax assets is reviewed at the end of each reporting period and reduced to the extent that it is no longer probable that sufficient taxable profit will be available to allow all or part of the deferred tax asset to be utilised. Unrecognised deferred tax assets are reassessed at the end of each reporting period and are recognised to the extent that it has become probable that future taxable profit will allow the deferred tax asset to be utilised.

Deferred tax assets and liabilities are measured at the tax rates that are expected to apply in the year when the asset is realised or the liability is settled, based on tax rates (and tax laws) that have been enacted or substantively enacted at the end of the reporting period.

Deferred tax assets and deferred tax liabilities are offset, if a legally enforceable right exists to set off current income tax assets against current income tax liabilities and the deferred taxes relate to the same taxable entity and the same taxation authority.

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### 2.23 Taxes (Continued)

#### (iii) Sales tax

Revenues, expenses and assets are recognised net of the amount of sales tax except:

- Where the sales tax incurred in a purchase of assets or services is not recoverable from the taxation authority, in which case the sales tax is recognised as part of the cost of acquisition of the asset or as part of the expense item as applicable; and
- Receivables and payables that are stated with the amount of sales tax included.

The net amount of sales tax recoverable from, or payable to, the taxation authority is included as part of receivables or payables in the balance sheet.

### 2.24 Segment reporting

For management purposes, the Group is organised into operating segments based on their products and services, which are independently managed by the respective segment managers responsible for the performance of the respective segments under their charge. The segment managers report directly to the management of the Company who regularly review the segment results in order to allocate resources to the segments and to assess the segment performance. Additional disclosures on each of these segments are shown in Note 38, including the factors used to identify the reportable segments and the measurement basis of segment information.

### 2.25 Share capital and share issue expenses

Proceeds from issuance of ordinary shares are recognised as share capital in equity. Incremental costs directly attributable to the issuance of ordinary shares are deducted against share capital.

### 2.26 Treasury shares

The Group's own equity instruments, which are reacquired (treasury shares) are recognised at cost and deducted from equity. No gain or loss is recognised in profit or loss on the purchase, sale, issue or cancellation of the Group's own equity instruments. Any difference between the carrying amount of treasury shares and the consideration received, if reissued, is recognised directly in equity. Voting rights related to treasury shares are nullified for the Group and no dividends are allocated to them respectively.

# NOTES TO THE FINANCIAL STATEMENTS

## 2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

### 2.27 Contingencies

A contingent liability is:

- (a) a possible obligation that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group; or
- (b) a present obligation that arises from past events but is not recognised because:
  - (i) It is not probable that an outflow of resources embodying economic benefits will be required to settle the obligation; or
  - (ii) The amount of the obligation cannot be measured with sufficient reliability.

A contingent asset is a possible asset that arises from past events and whose existence will be confirmed only by the occurrence or non-occurrence of one or more uncertain future events not wholly within the control of the Group.

Contingent liabilities and assets are not recognised on the balance sheet of the Group, except for contingent liabilities assumed in a business combination that are present obligations and which the fair values can be reliably determined.

## 3. SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGEMENTS

The preparation of the Group's consolidated financial statements requires management to make judgements, estimates and assumptions that affect the reported amounts of revenues, expenses, assets and liabilities, and the disclosure of contingent liabilities at the end of each reporting period. However, uncertainty about these assumptions and estimates could result in outcomes that require a material adjustment to the carrying amount of the asset or liability affected in the future periods.

### 3.1 Key sources of estimation uncertainty

The key assumptions concerning the future and other key sources of estimation uncertainty at the end of the reporting period are discussed below. The Group based its assumptions and estimates on parameters available when the financial statements was prepared. Existing circumstances and assumptions about future developments, however, may change due to market changes or circumstances arising beyond the control of the Group. Such changes are reflected in the assumptions when they occur.

## NOTES TO THE FINANCIAL STATEMENTS

### 3. SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGEMENTS (CONTINUED)

#### 3.1 Key sources of estimation uncertainty (Continued)

- ***Impairment of loans and receivables***

The Group assesses at the end of each reporting period whether there is any objective evidence that a financial asset is impaired. Factors such as the probability of insolvency or significant financial difficulties of the debtor and default or significant delay in payments are objective evidence of impairment. In determining, whether there is objective evidence of impairment, the Group considers whether there is observable data indicating that there have been significant changes in the debtor's payment ability or whether there have been significant changes with adverse effect in the technological, market, economic or legal environment in which the debtor operates in.

Where there is objective evidence of impairment, the amount and timing of future cash flows are estimated based on historical loss experience for assets with similar credit risk characteristics.

The carrying amount of the Group's and the Company's loans and receivables at the end of the reporting period is disclosed in Note 36.

- ***Impairment of non-financial assets***

The Group assesses whether there are any indicators of impairment for all non-financial assets at each reporting date. Non-financial assets are tested for impairment when there are indicators that the carrying value of an asset or cash-generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use.

When value in use calculations are undertaken, management estimates the expected future cash flows from the asset or cash-generating unit and applies a suitable discount rate in order to calculate the present value of those cash flows.

The carrying amount of the Group's property, plant and equipment at 30 June 2016 was \$52,027,000 (2015: \$54,319,000).

- ***Project revenue***

The Group recognises project revenue to the extent of project costs incurred where it is probable those costs will be recoverable or based on the stage of completion method. The stage of completion is determined based on surveys of work done.

# NOTES TO THE FINANCIAL STATEMENTS

## 3. SIGNIFICANT ACCOUNTING ESTIMATES AND JUDGEMENTS (CONTINUED)

### 3.1 Key sources of estimation uncertainty (Continued)

- ***Project revenue (Continued)***

Significant judgement is required in determining the stage of completion, the extent of the project costs incurred, the estimated total project revenues and costs, including provision for rectification work and warranties post-completion as well as the recoverability of the project revenue and foreseeable losses. Total project revenue also includes an estimation of the recoverable variation works that are recoverable from the customers. In making these judgements, management relies on past experience and knowledge of project specialists.

Project revenue for the year ended 30 June 2016 was \$39,914,000 (2015: \$25,590,000) for the Group.

- ***Provision for warranty***

Provision for warranty is recognised for expected warranty claims from painting works. Management has estimated the amount of provision based on their past experience and understanding of the historical trends of warranty claims and the warranty periods. It is expected that the provision will be utilised within the respective warranty periods. The Group provided \$2,593,000 (2015: \$3,262,000) of provisions for warranty as at 30 June 2016.

### 3.2 Judgements made in applying accounting policies

In the process of applying the Group's accounting policies, management has made the following judgement, apart from those involving estimations, which has the most significant effect on the amounts recognised in the financial statements:

- ***Income taxes***

Significant judgement is involved in determining the group-wide provision for income taxes. There are certain transactions and computations for which the ultimate tax determination is uncertain during the ordinary course of business. The Group recognises liabilities for expected tax issues based on estimates of whether additional taxes will be due. Where the final tax outcome of these matters is different from the amounts that were initially recognised, such differences will impact the income tax and deferred tax provisions in the period in which such determination is made. The carrying amount of the Group's tax payables and deferred tax liabilities at 30 June 2016 were \$2,238,000 (2015: \$1,504,000) and \$1,415,000 (2015: \$1,379,000) respectively.

### 9. TAXATION (CONTINUED)

At the end of the reporting period, the Group has tax losses of \$122,000 (2015: \$177,000) that are available for offset against future taxable profits of the companies in which the losses arose, for which no deferred tax asset is recognised due to uncertainty of its recoverability. The use of these tax losses is subject to the agreement of the tax authorities and compliance with certain provisions of the tax legislation. There is no time limit for the carry forward of these tax losses.

### 10. EARNINGS PER SHARE

Basic earnings per share is calculated by dividing the profit for the year that is attributable to ordinary equity holders of the Company by the weighted average number of ordinary shares outstanding during the year.

Diluted earnings per share is calculated by dividing the profit for the year that is attributable to ordinary equity holders of the Company by the weighted average number of ordinary shares outstanding during the year plus the weighted average number of ordinary shares that would be issued on the conversion of all the dilutive potential ordinary shares into ordinary shares.

The following tables reflect the profit and share data used in the computation of basic and diluted earnings per share for the years ended 30 June 2016 and 2015:

	Group	
	2016 \$'000	2015 \$'000

– warrants ('000)	<u>408</u>	<u>788</u>
Weighted average number of ordinary shares adjusted for dilution ('000)	<u><b>204,992</b></u>	<u>204,601</u>

The basic and diluted earnings per share for 2015 have been adjusted for the effect of share consolidation during current financial year.

Since the end of the year, there were no 2012 warrants and 2013 warrants exercised to subscribe to new ordinary shares in the Company. There has been no other transactions involving ordinary shares or potential ordinary shares since the reporting date and before the completion of the financial statements.

### 34. CONTINGENT LIABILITIES

The Company has provided corporate guarantees amounting to approximately \$64,990,000 (2015: \$44,990,000) in favour of certain financial institutions for banking and finance lease facilities granted to subsidiary companies.

The Company has undertaken to provide continuing financial support to Hai Leck Engineering & Construction Pte. Ltd., Hai Leck Overseas Investments Pte. Ltd., United Holding (1975) Pte. Ltd., Hai Leck Integrated Services Pte. Ltd., and Hai Leck Services Pte. Ltd.. These subsidiaries are in net current liability positions as at 30 June 2016.

### 35. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES

The Group and the Company are exposed to financial risks arising from its operations and the use of financial instruments.

The Group's principal financial instruments comprise cash and short term deposits. The main purpose of these financial instruments is to raise finance for the Group's operations. The Group has various other financial assets and liabilities such as trade receivables and trade payables, which arise directly from its operations.

It is, and has been throughout the current and previous financial year, the Group's policy that no trading in derivative financial instruments shall be undertaken.

The main risks arising from the Group's financial instruments are foreign currency risk, liquidity risk and credit risk. The Board reviews and agrees policies for managing these risks.

There has been no change to the Group's exposure to these financial risks or the manner in which the Group manages and measures the risks.

#### (a) Foreign currency risk

The Group has transactional currency exposures arising from sales or purchases by an operating unit in currencies other than the unit's functional currency. The Group's trade receivable and trade payable balances at the end of the reporting period have similar exposure.

The Group is also exposed to currency translation risks arising from its net investments in foreign operations including Malaysia and Thailand. The Group's net investments in these operations are not hedged as these are considered to be long-term in nature.

Foreign exchange risk is deemed not significant by management as the Group's transactions are mainly in the respective entities' functional currency. It is the Group's policy not to trade in derivative contracts.

## NOTES TO THE FINANCIAL STATEMENTS

### 35. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

#### (b) Liquidity risk

Liquidity risk is the risk that the Group or the Company will encounter difficulty in meeting financial obligations due to shortage of funds. The Group's and the Company's exposure to liquidity risk arises primarily from mismatches of the maturities of financial assets and liabilities. The Group's and the Company's objective is to maintain a balance between continuity of funding and flexibility through the use of stand-by credit facilities.

To manage liquidity risk, the Group and the Company monitors its net operating cash flow and maintains an adequate level of cash and cash equivalents and secured committed funding facilities from financial institutions. In assessing the adequacy of these funding facilities, management reviews its working capital requirements regularly.

#### *Analysis of financial instruments by remaining contractual maturities*

# NOTES TO THE FINANCIAL STATEMENTS

## 35. FINANCIAL RISK MANAGEMENT OBJECTIVES AND POLICIES (CONTINUED)

### (c) Credit risk

Credit risk is the risk of loss that may arise on outstanding financial instruments should a counterparty default on its obligations. The Group's and the Company's exposure to credit risk arises primarily from trade and other receivables. For other financial assets, the Group and the Company minimise credit risk by dealing exclusively with high credit rating counterparties.

The Group's objective is to seek continual revenue growth while minimising losses incurred due to increased credit risk exposure. The Group trades only with recognised and creditworthy third parties. It is the Group's policy that all customers who wish to trade on credit terms are subject to credit verification procedures. In addition, receivable balances are monitored on an ongoing basis. For transactions that do not occur in the country of the relevant operating unit, the Group does not offer credit terms without the approval of the credit control team.

#### ***Exposure to credit risk***

At the end of the reporting period, the Group's and the Company's maximum exposure to credit risk is represented by:

- The carrying amounts of trade and other receivables (including joint venture balances), fixed deposits pledged and cash and cash equivalents. Fixed deposits pledged and cash and cash equivalents are placed with banks of good standing. The Group performs ongoing credit evaluation of its customers' financial conditions and maintains an allowance for doubtful trade receivables based upon expected collectability of all trade debts.

#### ***Credit risk concentration profile***

At the end of the reporting period, approximately 74% (2015: 81%) of the Group's trade receivables were due from 5 major customers who are multi-national corporations located in Singapore or government agencies.

#### ***Financial assets that are neither past due nor impaired***

Trade and other receivables that are neither past due nor impaired are creditworthy debtors with good payment record with the Group. Fixed deposits pledged and cash and cash equivalents that are neither past due nor impaired are placed with or entered into with reputable financial institutions with high credit ratings and no history of default.

#### ***Financial assets that are either past due or impaired***

Information regarding financial assets that are either past due or impaired is disclosed in Note 17 (Trade receivables).

## NOTES TO THE FINANCIAL STATEMENTS

### 36. FAIR VALUE OF ASSETS AND LIABILITIES

- (a) **Fair value of financial instruments by classes that are not carried at fair value and whose carrying amounts are reasonable approximation of fair values**

*Trade receivables, other receivables and deposits, customer retention, trade and other payables, suppliers retention, loans due from subsidiary companies (current) and amounts due from/(to) subsidiary companies*

The carrying amounts of these financial assets and liabilities are reasonable approximation of their values due to their short-term nature.

- (b) **Fair value of financial instruments by classes that are not carried at fair value and whose carrying amounts are not reasonable approximation of fair values**

*Loans due from subsidiary companies (non-current)*

The loans due from subsidiary companies have no repayment term and are only repayable when the cash flows of those subsidiary companies permit. Therefore the fair value of the loans is not determinable as the timing of the future cash flows arising from the loans cannot be estimated reliably.

- (c) **Categories of financial instruments**

Set out below is the carrying amount of each of the category of the Group's and the Company's financial instruments that are carried in the financial statements:

### 37. CAPITAL MANAGEMENT

Capital includes debt and equity items as disclosed in the table below.

The primary objective of the Group's capital management is to ensure that it maintains a strong credit rating and healthy capital ratios in order to support its business and maximise shareholder value.

The Group manages its capital structure and makes adjustments to it, in light of changes in economic conditions. To maintain or adjust the capital structure, the Group may issue new shares. No changes were made in the objectives, policies or processes during the financial years ended 30 June 2016 and 2015. The Group is not subjected to any externally imposed capital requirements.

The Group monitors capital using the gearing ratio, calculated as gross debt over total equity. The Group's policy is to keep the gearing ratio between 10% to 50%. Gross debt includes all trade and other payables. Total equity means equity attributable to equity holders of the Company.

## 38. SEGMENT INFORMATION

For management purposes, the Group is organised into business units based on their products and services, and has three reportable operating segments as follows:

### (i) Project services

Project services comprise mechanical engineering services, scaffolding, corrosion prevention services, thermal insulation services, refractory and passive fireproofing and complemented by general civil engineering services.

Mechanical services refer to engineered solutions in structural steel and piping fabrication and installation, plant and equipment installation, maintenance, modifications and repairs to oil refinery, petrochemical, chemical and power plants.

Scaffolding services pertain to erection of scaffolds which are a temporary framework used to support workmen in the construction or repair of buildings and other large structures.

Corrosion prevention involves using high pressure blasting equipment and cleaning processes to remove surface contaminants ("Surface Preparation") before the application of a coat of paint onto clean surfaces of metal structures ("Coating").

Thermal protection and insulation refers to methods and processes used to reduce heat transfer and involves either (i) hot insulation, which is the prevention of heat loss from pipes, vessels and other process equipment, or (ii) cold insulation, which is the prevention of pipes, vessels and other process equipment from rising in temperature by maintaining the temperature of the cold fluids in these pipes, vessels and other process equipment.

### (ii) Maintenance services

Maintenance services pertain to routine and/or turnaround maintenance service for the abovementioned specialist engineering services. Routine maintenance is carried out on a daily basis without shutting down the operations of the facilities. Turnaround maintenance is carried out periodically and requires the facilities to temporarily shut-down for major clean-up works, replacements and/or additions of pipings and equipment.

### (iii) Contact centre services

Contact centre services pertain to call centre services, telecommunications and information technology services.

Except as indicated above, no operating segments have been aggregated to form the above reportable operating segments.

## NOTES TO THE FINANCIAL STATEMENTS

### 38. SEGMENT INFORMATION (CONTINUED)

Management monitors the operating results of its business units separately for the purpose of making decisions about resource allocation and performance assessment. Segment performance is evaluated based on operating profit or loss which in certain respects, as explained in the table below, is measured differently from operating profit or loss in the consolidated financial statements. Group income taxes are managed on a group basis and are not allocated to operating segments.

Transfer prices between operating segments are on an arm's length basis in a manner similar to transactions with third parties.

provided that:

- (1) the aggregate number of shares (including shares to be issued in pursuant to the Instruments, made or granted pursuant to this Resolution) and Instruments to be issued pursuant to this Resolution shall not exceed fifty per centum (50%) of the total number of issued shares (excluding treasury shares) in the capital of the Company (as calculated in accordance with sub-paragraph (2) below), of which the aggregate number of shares and Instruments to be issued other than on a *pro rata* basis to existing shareholders of the Company shall not exceed twenty per centum (20%) of the total number of issued shares (excluding treasury shares) in the capital of the Company (as calculated in accordance with sub-paragraph (2) below);
- (2) (subject to such calculation as may be prescribed by the SGX-ST) for the purpose of determining the aggregate number of shares and Instruments that may be issued under sub-paragraph (1) above, the total number of issued shares and Instruments shall be based on the total number of issued shares (excluding treasury shares) in the capital of the Company at the time of the passing of this Resolution, after adjusting for:
  - (a) new shares arising from the conversion or exercise of the Instruments or any convertible securities;
  - (b) new shares arising from exercising share options or vesting of share awards outstanding or subsisting at the time of the passing of this Resolution; and
  - (c) any subsequent bonus issue, consolidation or subdivision of shares;
- (3) in exercising the Share Issue Mandate conferred by this Resolution, the Company shall comply with the provisions of the Listing Manual of the SGX-ST for the time being in force (unless such compliance has been waived by the SGX-ST) and the Constitution of the Company; and
- (4) unless revoked or varied by the Company in a general meeting, the Share Issue Mandate shall continue in force (i) until the conclusion of the next Annual General Meeting of the Company or the date by which the next Annual General Meeting of the Company is required by law to be held, whichever is earlier or (ii) in the case of shares to be issued in pursuance of the Instruments, made or granted pursuant to this Resolution, until the issuance of such shares in accordance with the terms of the Instruments.

**(Resolution 7)**

# NOTICE OF ANNUAL GENERAL MEETING

## 7. Proposed renewal of the share buyback mandate

That:

(a) for the purposes of Sections 76C and 76E of the Companies Act, Chapter 50 of Singapore (“**Companies Act**”), the Directors of the Company be and are hereby authorised to exercise all the powers of the Company to purchase or otherwise acquire the Shares not exceeding in aggregate the Prescribed Limit (as hereinafter defined), at such price(s) as may be determined by the Directors of the Company from time to time up to the Maximum Price (as hereinafter defined), whether by way of:-

- (i) market purchases (each a “**Market Purchase**”) on the Singapore Exchange Securities Trading Limited (“**SGX-ST**”); and/or
- (ii) off-market purchases (each an “**Off-Market Purchase**”) effected otherwise than on the SGX-ST in accordance with any equal access schemes as may be determined or formulated by the Directors of the Company as they consider fit, which schemes shall satisfy all the conditions prescribed by the Companies Act,

and otherwise in accordance with all other provisions of the Companies Act and the Listing Manual of the SGX-ST as may for the time being be applicable (“**Share Buy Back Mandate**”);

(b) any Share that is purchased or otherwise acquired by the Company pursuant to the Share Buy Back Mandate shall, at the discretion of the Directors of the Company, either be cancelled or held in treasury and dealt with in accordance with the Companies Act;

(c) unless varied or revoked by the Company in a general meeting, the authority conferred on the Directors of the Company pursuant to the Share Buy Back Mandate may be exercised by the Directors at any time and from time to time during the period commencing from the date of the passing of this resolution and expiring on the earlier of:-

- (i) the date on which the next annual general meeting (“**AGM**”) of the Company is held or is required by law to be held;
- (ii) the date on which the share buybacks are carried out to the full extent mandated; or
- (iii) the date on which the authority contained in the Share Buy Back Mandate is varied or revoked;

(d) for purposes of this resolution:-

“**Prescribed Limit**” means 10% of the issued ordinary share capital of the Company as at the date of the passing of this resolution unless the Company has effected a reduction of the share capital of the Company in accordance with the applicable provisions of the Companies Act, at any time during the Relevant Period (as hereinafter defined), in which event the issued ordinary share capital of the Company shall be taken to be the amount of the issued ordinary share capital of the Company as altered (excluding any treasury shares that may be held by the Company from time to time);

## NOTICE OF ANNUAL GENERAL MEETING

“**Relevant Period**” means the period commencing from the date on which the last AGM was held and expiring on the date the next AGM is held or is required by law to be held, whichever is the earlier, after the date of this resolution; and

“**Maximum Price**” in relation to a Share to be purchased, means an amount (excluding brokerage, commission, stamp duties, applicable goods and services tax, clearance fees and other related expenses) not exceeding:–

- (i) in the case of a Market Purchase: 105% of the Average Closing Price; and
- (ii) in the case of an Off-Market Purchase: 120% of the Average Closing Price, where:–

“**Average Closing Price**” means the average of the closing market prices of a Share over the last 5 Market Days, on which transactions in the Shares were recorded, preceding the day of the Market Purchase, and deemed to be adjusted for any corporate action that occurs after the relevant 5-day period; and

“**Market Day**” means a day on which the SGX-ST is open for trading in securities; and

- (e) any of the Directors of the Company be and are hereby authorised to complete and do all such acts and things (including without limitation, to execute all such documents as may be required and to approve any amendments, alterations or modifications to any documents), as they or he may consider desirable, expedient or necessary to give effect to the transactions contemplated by this resolution.

[See Explanatory Note (iii)]

**(Resolution 8)**

By Order of the Board

Chew Kok Liang  
Company Secretary

Singapore

# NOTICE OF ANNUAL GENERAL MEETING

## Explanatory Notes:

- (i) Mr Cheng Buck Poh @ Chng Bok Poh will, upon re-election as a Director, remain as Executive Chairman and will not be considered independent. Tan Sim Cheng will, upon re-election as a Director, remain as Non-Executive Deputy Chairman and Lead Independent Director, Chairman of the Audit Committee, a member of the Nominating Committee and Remuneration Committee respectively and will be considered independent. Ms Cheng Li Hui will, upon re-election as a Director, remain as Deputy Chief Executive Officer and will not be considered independent.
- (ii) Resolution 7 above, if passed, will empower the Directors of the Company from the date of this AGM until the date of the next AGM of the Company, or the date by which the next AGM of the Company is required by law to be held or such authority is varied or revoked by the Company in a general meeting, whichever is the earlier, to issue shares, make or grant instruments convertible into shares and to issue shares pursuant to such instruments, up to a number not exceeding, in total, fifty per centum (50%) of the total number of issued shares (excluding treasury shares) in the capital of the Company, of which up to twenty per centum (20%) may be issued other than on a *pro rata* basis to existing shareholders of the Company.
- For determining the aggregate number of shares that may be issued, the percentage of issued shares in the capital of the Company will be calculated based on the total number of issued shares (excluding treasury shares) in the capital of the Company at the time this Resolution is passed after adjusting for new shares arising from the conversion or exercise of the Instruments or any convertible securities, the exercise of share options or the vesting of share awards outstanding or subsisting at the time when this Resolution is passed and any subsequent bonus issue, consolidation or subdivision of shares.
- (iii) Resolution 8 above, if passed, will empower the Directors of the Company from the date of the above AGM up to the earliest of (i) the conclusion of the date of the next AGM of the Company or the date by which such AGM of the Company is required by law to be held; (ii) the date on which the Share Buy Backs are carried out to the full extent mandated; or (iii) the date on which the authority contained in the Share Buy Back Mandate is varied or revoked by the Company to purchase ordinary shares of the Company by way of market purchases or off-market purchases of up to 10% of the total number of issued shares (excluding treasury shares) in the capital of the Company as at the date of the AGM at which this Ordinary Resolution is passed. The rationale for, the authority and limitation on, the sources of funds to be used for the purchase or acquisition including the amount of financing and the financial effects of the purchase or acquisition of ordinary shares by the Company pursuant to the Share Buy Back Mandate on the audited consolidated financial accounts of the Group for the financial year ended 30 June 2016 are set out in greater detail in the Letter to Shareholders dated 27 September 2016.

## Notes:

1. A Member entitled to attend and vote at the AGM is entitled to appoint not more than two proxies to attend and vote in his/her stead. A proxy need not be a Member of the Company.
2. A Relevant Intermediary may appoint more than two (2) proxies, but each proxy must be appointed to exercise the rights attached to a different share or shares held by him (which number and class of shares should be specified).
3. The instrument appointing a proxy must be deposited at the Registered Office of the Company at 47 Tuas View Circuit, Singapore 637357 not less than forty-eight (48) hours before the time appointed for AGM.

\*A Relevant Intermediary is:

- (a) a banking corporation licensed under the Banking Act (Cap. 19) or a wholly-owned subsidiary of such a banking corporation, whose business includes the provision of nominee services and who holds shares in that capacity; or
- (b) a person holding a capital markets services licence to provide custodial services for securities under the Securities and Futures Act (Cap. 289) and who holds shares in that capacity; or
- (c) the Central Provident Fund Board established by the Central Provident Fund Act (Cap. 36), in respect of shares purchased under the subsidiary legislation made under that Act providing for the making of investments from the contributions and interest standing to the credit of members of the Central Provident Fund, if the Board holds those shares in the capacity of an intermediary pursuant to or in accordance with that subsidiary legislation.

## PERSONAL DATA PRIVACY

Where a member of the Company submits an instrument appointing a proxy(ies) and/or representative(s) to attend, speak and vote at the AGM and/or any adjournment thereof, a member of the Company (i) consents to the collection, use and disclosure of the member's personal data by the Company (or its agents) for the purpose of the processing and administration by the Company (or its agents) of proxies and representatives appointed for the AGM (including any adjournment thereof) and the preparation and compilation of the attendance lists, proxy lists, minutes and other documents relating to the AGM (including any adjournment thereof), and in order for the Company (or its agents) to comply with any applicable laws, listing rules, regulations and/or guidelines (collectively, the "**Purposes**"), (ii) warrants that where the member discloses the personal data of the member's proxy(ies) and/or representative(s) to the Company (or its agents), the member has obtained the prior consent of such proxy(ies) and/or representative(s) for the collection, use and disclosure by the Company (or its agents) of the personal data of such proxy(ies) and/or representative(s) for the Purposes, and (iii) agrees that the member will indemnify the Company in respect of any penalties, liabilities, claims, demands, losses and damages as a result of the member's breach of warranty.

**IMPORTANT: PLEASE READ NOTES OVERLEAF**

**Notes:**

1. Please insert the total number of Shares held by you. If you have Shares entered against your name in the Depository Register (as defined in Section 81SF of the Securities and Futures Act, Chapter 289 of Singapore), you should insert that number of Shares. If you have Shares registered in your name in the Register of Members, you should insert that number of Shares. If you have Shares entered against your name in the Depository Register and Shares registered in your name in the Register of Members, you should insert the aggregate number of Shares entered against your name in the Depository Register and registered in your name in the Register of Members. If no number is inserted, the instrument appointing a proxy or proxies shall be deemed to relate to all the Shares held by you.
2. A member of the Company (other than a Relevant Intermediary\*), entitled to attend and vote at a meeting of the Company is entitled to appoint one or two proxies to attend and vote in his/her stead. A proxy need not be a member of the Company.
3. Where a member (other than a Relevant Intermediary\*) appoints two proxies, the appointments shall be invalid unless he/she specifies the proportion of his/her shareholding (expressed as a percentage of the whole) to be represented by each proxy.
4. A Relevant Intermediary may appoint more than two proxies, but each proxy must be appointed to exercise the rights attached to a different share or shares held by him (which number or class of shares shall be specified).
5. Subject to note 9, completion and return of this instrument appointing a proxy shall not preclude a member from attending and voting at the Meeting. Any appointment of a proxy or proxies shall be deemed to be revoked if a member attends the meeting in person, and in such event, the Company reserves the right to refuse to admit any person or persons appointed under the instrument of proxy to the Meeting.
6. The instrument appointing a proxy or proxies must be deposited at the registered office of the Company at 47 Tuas View Circuit Singapore 637357 not less than 48 hours.
7. The instrument appointing a proxy or proxies must be under the hand of the appointor or of his attorney duly authorized in writing. Where the instrument appointing a proxy or proxies is executed by a corporation, it must be executed either under its seal or under the hand of an officer or attorney duly authorized. Where the instrument appointing a proxy or proxies is executed by an attorney on behalf of the appointor, the letter or power of attorney or a duly certified copy thereof must be lodged with the instrument.
8. A corporation which is a member may authorize by resolution of its directors or other governing body such person as it thinks fit to act as its representative at the Meeting, in accordance with Section 179 of the Companies Act, Chapter 50 of Singapore, and the person so authorised shall upon production of a copy of such resolution certified by a director of the corporation to be a true copy, be entitled to exercise the powers on behalf of the corporation so represented as the corporation could exercise in person if it were an individual.
9. An investor who holds shares under the Central Provident Fund Investment Scheme ("**CPF Investor**") and/or the Supplementary Retirement Scheme ("**SRS Investors**") (as may be applicable) may attend and cast his vote(s) at the Meeting in person. CPF and SRS Investors who are unable to attend the Meeting but would like to vote, may inform their CPF and/or SRS Approved Nominees to appoint the Chairman of the Meeting to act as their proxy, in which case, the CPF and SRS Investors shall be precluded from attending the Meeting.

\*A Relevant Intermediary is:

- (a) a banking corporation licensed under the Banking Act (Cap. 19) or a wholly-owned subsidiary of such a banking corporation, whose business includes the provision of nominee services and who holds shares in that capacity; or
- (b) a person holding a capital markets services licence to provide custodial services for securities under the Securities and Futures Act (Cap. 289) and who holds shares in that capacity; or
- (c) the Central Provident Fund Board established by the Central Provident Fund Act (Cap. 36), in respect of shares purchased under the subsidiary legislation made under that Act providing for the making of investments from the contributions and interest standing to the credit of members of the Central Provident Fund, if the Board holds those shares in the capacity of an intermediary pursuant to or in accordance with that subsidiary legislation.

**Personal Data Privacy:**

By submitting an instrument appointing a proxy(ies) and/or representative(s), the member accepts and agrees to the personal data privacy terms set out in the Notice of Annual General Meeting dated 27 September 2016.

**General:**

The Company shall be entitled to reject the instrument appointing a proxy or proxies if it is incomplete, improperly completed or illegible, or where the true intentions of the appointor are not ascertainable from the instructions of the appointor specified in the instrument appointing a proxy or proxies. In addition, in the case of Shares entered in the Depository Register, the Company may reject any instrument appointing a proxy or proxies lodged if the member, being the appointor, is not shown to have Shares entered against his name in the Depository Register as at 72 hours before the time appointed for holding the Meeting, as certified by The Central Depository (Pte) Limited to the Company.
