## **Hai Leck Holdings Limited and Subsidiary Companies**

### **Notes to the condensed interim financial statements**

---

#### **1. Corporate information**

Hai Leck Holdings Limited (the “Company”) is a limited liability company, domiciled and incorporated in Singapore and is listed on the Singapore Exchange Securities Trading Limited (“SGX-ST”).

The registered office and principal place of business of the Company is located at 47 Tuas View Circuit, Singapore 637357.

The principal activities of the Company are those of investment holding and providing managerial, administrative, supervisory and consultancy services to any company in which the Company has an interest. The principal activities of the subsidiary companies and joint venture are disclosed in Notes 15 and 16 to the financial statements respectively.

#### **2. Basis of preparation**

The condensed interim consolidated financial statements of the Group have been prepared in accordance with SFRS(I) 1-34 *Interim Financial Reporting* issued by the Accounting Standards Council Singapore. The condensed interim financial statements do not include all the information required for a complete set of financial statements. However, selected explanatory notes are included to explain events and transactions that are significant to an understanding of the changes in the Group’s financial position and performance of the Group since the last interim financial statements for the period ended 30 September 2023.

The accounting policies adopted are consistent with those of the previous financial year which were prepared in accordance with SFRS(I)s.

The condensed interim financial statements are presented in Singapore Dollars (SGD or \$) which is the Company’s functional currency. All values are rounded to the nearest thousand (\$’000), except when otherwise indicated.

##### **2.1. Use of judgements and estimates**

In preparing the condensed interim financial statements, management has made judgements, estimates and assumptions that affect the application of accounting policies and the reported amounts of assets and liabilities, income and expense. Actual results may differ from these estimates.

The significant judgements made by management in applying the Group’s accounting policies and key sources of estimation uncertainty were the same as those that applied to the consolidated financial statements as at and for the year ended 30 June 2023.

Estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimates are revised and in any future periods affected.

**2. Basis of preparation (cont'd)**

**2.1. Use of judgements and estimates (cont'd)**

Key assumptions concerning the future and other key sources of estimation uncertainty are as follows:

**Allowance for expected credit losses of trade receivables, customer retention monies and contract assets**

The Group uses a provision matrix to calculate expected credit losses (ECLs) for trade receivables, customer retention monies and contract assets. The provision rates are based on days past due for groupings of various customer segments that have similar loss patterns.

The provision matrix is initially based on the Group's historical observed default rates. The Group will calibrate the matrix to adjust historical credit loss experience with forward-looking information. At every reporting date, historical default rates are updated and changes in the forward-looking estimates are analysed.

The assessment of the correlation between historical observed default rates, forecast economic conditions and ECLs is a significant estimate. The amount of ECLs is sensitive to changes in circumstances and forecast of economic conditions. The Group's historical credit loss experience and forecast of economic conditions may also not be representative of customer's actual default in the future.

**Impairment of non-financial assets**

The Group assesses whether there are any indicators of impairment for all non-financial assets at each reporting date. Non-financial assets are tested for impairment when there are indicators that the carrying value of an asset or cash-generating unit exceeds its recoverable amount, which is the higher of its fair value less costs of disposal and its value in use.

The fair value less costs of disposal assessment of non-financial assets is based on available market data from recent transactions of similar assets less costs for disposing the asset.

When value in use calculations are undertaken, management estimates the expected future cash flows from the asset or cash-generating unit and applies a suitable discount rate in order to calculate the present value of those cash flows.

The carrying amount of the Group's property, plant and equipment, right-of-use assets and Company's investments in subsidiary companies as at 31 December 2023 were \$30,384,000 (30 June 2023: \$32,390,000), \$3,109,000 (30 June 2023: \$3,610,000) and \$46,754,000 (30 June 2023: \$41,754,000) respectively.

**Project revenue**

The Group recognises project revenue over time based on the stage of completion of the contract activity at the end of each reporting period. The stage of completion is determined based on proportion of total contract costs incurred to-date over the estimated budgeted costs.

The determination of the estimated budgeted costs (including rectification works and post-completion warranties) requires significant management estimations, which could have a material impact on the amounts of contract assets/liabilities, project revenues, costs and profits recognised in the year. In making these estimations, management relies on past experience and knowledge of project specialists.

**2. Basis of preparation (cont'd)**

**2.2. Use of judgements and estimates (cont'd)**

**Project revenue (cont'd)**

The management has determined that a cost-based input method provides a faithful depiction of the Group's performance in transferring control to the customers, as it reflects the Group's efforts incurred to-date relative to the total inputs expected to be incurred for the projects.

Project revenue for the half year ended 31 December 2023 was \$8,842,000 (31 December 2022: \$2,353,000) for the Group.

**Provision for warranty**

Provision for warranty is recognised for expected warranty claims from painting works. Management has estimated the amount of provision based on their past experience and understanding of the historical trends of warranty claims and the warranty periods. It is expected that the provision will be utilised within the respective warranty periods. The provision for warranty as at 31 December 2023 amounted to \$646,000 (30 June 2023: \$646,000).

**Revenue recognition – Estimating variable consideration for call centre services**

Certain call centre services contracts include billing deductions when minimum service requirements are not met in the course of performing the services. This gives rise to variable consideration and the Group estimates variable considerations to be included in the transaction price for these call centre services.

In estimating the variable consideration, the Group uses an expected value approach and updates its assessment of the variable consideration based on the latest available information at the end of each reporting period. The variable consideration is included in trade receivables.

**3. Seasonal operations**

The Group's businesses are not affected significantly by seasonal or cyclical factors during the financial period.

#### 1. Review

The condensed consolidated balance sheet of Hai Leck Holdings Limited and its subsidiaries as at 31 December 2023 and the related condensed consolidated income statement, condensed consolidated statement of other comprehensive income, condensed consolidated statement of changes in equity and condensed consolidated cash flow statement for the half year then ended and certain explanatory notes have not been audited or reviewed.

#### 2. Review of performance of the Group

##### Results for second quarter and half year ended 31 December 2023

##### Revenue

Revenue for the financial period ended 31 December 2023 ("HY24") decreased by approximately \$1.3 million to \$31.4 million compared to \$32.8 million recorded in the half year ended 31 December 2022 ("HY23") due to lower maintenance and contact centre services revenue, partially offset by higher project revenue.

Quarter-on-quarter, the revenue decreased by approximately \$3.5 million to \$14.0 million for the second quarter ended 31 December 2023 ("2Q24") compared to \$17.4 million recorded in the second quarter ended 31 December 2022 ("2Q23") due to the same reasons as above.

##### Cost of sales

For HY24, cost of sales decreased by \$1.0 million to \$13.5 million compared to \$14.5 million recorded in HY23. The decrease is in line with the decrease in revenue.

Quarter-on-quarter, cost of sales decreased by 16.0% to \$6.0 million in 2Q24 from \$7.2 million in 2Q23 due to the same reason as above.

##### Other income

Other income increased from \$0.9 million in HY23 to \$1.1 million in HY24 mainly due to higher interest income from bank deposits and gain on disposal of property, plant and equipment which partially offset by lower government grant received during the period.

Other income increased from \$0.3 million in 2Q23 to \$0.6 million in 2Q24 due to the same reasons as above.

##### Operating expenses

Operating expenses consist of distribution and selling expenses, administrative expenses and other operating expenses, including depreciation, amortisation and exchange differences.

For HY24, total operating expenses decreased from \$19.5 million in HY23 to \$17.8 million mainly due to lower manpower related costs in HY24.

For 2Q24, operating expenses decreased from \$9.6 million in 2Q23 to \$8.4 million mainly due to the same reasons as above.

### **Other Information Required by Listing Rule Appendix 7.2**

---

#### Taxation

The tax expense recognised is higher than the statutory tax rate applied to profit before taxation mainly due to effects of non-tax deductible expenses.

#### Profit attributable to equity holders of the Company

The profit attributable to equity holders for HY24 increased by \$1.3 million to \$1.9 million compared to \$0.6 million in HY23.

Quarter-on-quarter, the profit attributable to equity holders for 2Q24 decreased by \$0.9 million to \$0.6 million compared to \$1.5 million in 2Q23.

### **Review of Financial Position**

#### Non-current assets

Non-current assets decreased from \$46.3 million as at 30 June 2023 to \$44.8 million as at 31 December 2023 mainly due to depreciation on property, plant and equipment and right-of-use assets, partially offset by increase in investment in joint venture.

#### Current assets

Current assets decreased by \$2.2 million from \$87.6 million as at 30 June 2023 to \$85.4 million as at 31 December 2023. The decrease is mainly due to decrease in trade receivables and contract assets, partially offset by increase in cash and cash equivalents.

#### Current liabilities

Current liabilities decreased by \$0.6 million from \$12.8 million as at 30 June 2023 to \$12.2 million as at 31 December 2023, mainly due to decrease in trade and other payables, partially offset by increase in contract liabilities and income tax payable.

#### Non-current liabilities

Non-current liabilities decreased from \$6.0 million as at 30 June 2023 to \$5.4 million as at 31 December 2023 due to repayment of lease obligations.

### **Review of Cash Flows**

#### Cash flows from operating activities

Net cash flows generated from operating activities was \$6.7 million in HY24 compared to net cash flows used in operating activities of \$8.0 million in HY23, mainly due to higher profit before taxation in HY24 and decrease in working capital in relation to trade receivables, partially offset by increase in working capital in relation to trade and other payables.

#### Cash flows from investing activities

Net cash flows generated from investing activities was \$0.6 million in HY24 compared to net cash flows used in investing activities of \$1.4 million in HY23, mainly due to lower purchases of property, plant and equipment and higher proceeds from disposal of property, plant and equipment in HY24.

## Hai Leck Holdings Limited and Subsidiary Companies

### Other Information Required by Listing Rule Appendix 7.2
